 provider
 directory.

A Business of Caring.

You choose
your doctor.
This guide
can help.

WHO WE ARE

- The **CIGNA HealthCare** companies make up one of the largest health care organizations in the world. CIGNA HealthCare strives to keep the workforce of its customer companies - and CIGNA's own workforce - healthy and productive. We are committed to giving you access to technology, information and support in reaching health care decisions.
- **We are where you are.** CIGNA HealthCare has a national presence, but we also have a local focus in most areas. This means local medical directors and health services representatives work to provide you with access to quality care.

WHAT YOU CAN EXPECT

- **Convenient access to quality health care.** Before joining the CIGNA HealthCare network of contracted physicians, doctors must meet CIGNA HealthCare standards through a process called credentialing. We regularly review physicians' credentials to help ensure they continue to meet these standards.
- **Medical coverage.** Your plan includes coverage for diagnosis and treatment of illness and injury, and a regular program of preventive care to help keep you and your family well.
- **Responsive customer service.** Whether on our Web site, *www.cigna.com*, by phone when you talk to a representative or through our automated telephone system, you have easy access to consistent, accurate, and timely information about your plan – when it's convenient for you.

ABOUT THIS DIRECTORY

The following pages list the independent doctors and other health care providers in this area who participate in the CIGNA HealthCare network. You can use this directory to select your Primary Care Physician (PCP) for yourself and each covered member of your family. You can also use it to locate participating specialists, hospitals, and other health care providers. An updated listing of participating providers is always available at *www.cigna.com*. You can use our online directory to:

- search for participating physicians, hospitals and providers.
- download your own personalized provider directory to have on hand when you need it.
- find hospital scores for specific conditions/procedures through CIGNA "Centers of Excellence."

www.cigna.com

For more information, please visit *www.cigna.com* or call CIGNA HealthCare Member Services at the toll-free number on your CIGNA HealthCare ID card.

Your PCP serves as a source for advice and direction.

YOUR CIGNA HEALTHCARE ID CARD

- You'll receive your CIGNA HealthCare ID card after you've enrolled.
- Keep your CIGNA HealthCare ID card with you at all times. Show it whenever you visit a health care provider.

WORKING WITH YOUR DOCTOR

When you choose your Primary Care Physician (PCP) to be your personal physician, you establish and develop a relationship that remains a reassuring part of your plan. Each member of your family can choose his or her own PCP.

- The PCP serves as a "home base" for basic care – a source for advice and direction.
- Your PCP also coordinates your care - from preventive checkups and routine medical care to specialized care and hospitalizations.
- If required as a part of your plan, your PCP will also provide you with referrals to specialists when necessary. See your plan materials to learn whether your plan requires you to have a referral before seeing a specialist.
- If your PCP is part of a medical group, and your plan requires referrals, you may be required to see a specialist who practices in that group for services to be covered. Check with your PCP or call CIGNA HealthCare Member Services to learn whether this requirement applies to you.
- Referral-free access to OB/GYNs – As part of your plan, you can visit a participating OB/GYN at any time, without a referral, even if your plan requires referrals to other types of specialists. Please note: If your PCP is part of a medical group and your plan requires referrals you may be required to see an OB/GYN who practices in that group for services to be covered. Check with your PCP or call CIGNA HealthCare Member Services to learn whether this requirement applies to you.
- You can change your PCP at any time, for any reason.

Visit www.cigna.com to search for participating providers, find information on preventive care and other health topics, and learn more about your plan's benefits and programs.

You're
covered for
emergencies
24 hours a
day, at home
or away.

SELECTING YOUR DOCTOR

Follow your employer's instructions for enrolling in the CIGNA HealthCare plan. If your employer asks you to fill out an enrollment form:

- Use the enrollment form to enter your choice(s) of Primary Care Physicians.
- If using the form, write the name of each family member, the name of the Primary Care Physician, and the doctor's ID number as shown in the directory.
- Complete the rest of the form and submit to your benefits department as directed by your employer.
- You can also change your PCP online at www.cigna.com.

YOUR SUMMARY OF BENEFITS

Your *Summary of Benefits* gives you important information on the medical benefits and other types of services your plan covers. You should read your *Summary of Benefits* to determine whether you have prescription drug coverage, coverage for mental health and substance abuse, and/or vision care coverage as a part of your CIGNA HealthCare plan.

The listing of a provider in this directory does not guarantee that the services rendered by that provider are covered under your specific medical plan. Check the materials which describe your particular plan benefits, or call CIGNA Member Services, for information about the services covered under your plan benefits. If you have questions or need assistance, please contact Member Services at the toll-free telephone number listed in your enrollment materials or on your CIGNA identification card.

CIGNA LIFESOURCE Transplant Network®

As a CIGNA HealthCare member, you'll have access to the CIGNA LIFESOURCE Transplant Network®, a network of participating organ and tissue transplant centers. Developed by a team of CIGNA HealthCare clinical professionals, the transplant network includes respected hospitals and medical centers throughout the country.

Each transplant facility is evaluated for favorable rates of patient outcomes, support services and "patient friendly" environments, before it is included in the CIGNA LIFESOURCE Transplant Network.

CIGNA LIFESOURCE participants are managed by the Comprehensive Transplant Case Management Unit. This unit consists of Registered Nurses with clinical experience in transplant, hematology/oncology, home health care, dialysis, critical care and/or community care. They are specially trained to manage complex transplant cases.

Benefits from the Comprehensive Transplant Case Management Unit include:

- Clinical partnership with providers
- Consistency in service and benefit administration
- Dedicated resources for complex areas of medicine
- Advocacy
- Administrative efficiency

In some instances a travel reimbursement is offered as a feature of the program. Please be aware that most of these expenses are considered taxable income.

As a CIGNA HealthCare member, you can have access to these services when they are coordinated through your physician and your CIGNA HealthCare plan Medical Director.

You may not receive the in-network level of benefits for all types of transplants at all facilities. In addition, our network of facilities changes frequently. For the most current listings with the programs covered at the in-network benefit level, please visit www.cigna.com/lifesource or call CIGNA LIFESOURCE Member Services at 800.668.9682.

Not all CIGNA LIFESOURCE Transplant Network facilities are available to members in all plans. Please call Member Services at 800.668.9682 for more information. If you are already in transplant case management, please call your case manager directly.

Precertification

Our goal is to help make sure that you have access to the appropriate care, in the appropriate setting. We have established a wide network of physicians and we continuously contract with new physicians to help make sure that you have access to care from credentialed providers.

Your plan may require that you choose a Primary Care Physician (PCP) for yourself and your covered dependents. Your PCP is your personal doctor who can coordinate your medical care and keep your medical history. If your plan does not require you to choose a PCP, you can still choose a PCP or a personal physician for yourself and your covered dependents to help coordinate your care. Your first stop should be your PCP or personal physician. He or she can help determine if you need specialty care or hospitalization.

WHAT IS PRECERTIFICATION?

Precertification is a review process where CIGNA HealthCare nurses, pharmacists and/or physicians work with your physician to determine:

- Whether a procedure, treatment or service is a covered benefit.
- What your benefits will be for a procedure, treatment or service if you use a provider who is not in the CIGNA HealthCare network.

HOW DOES THE PROCESS WORK?

Your plan may require precertification for hospital admissions and selected outpatient services. When precertification is required, a CIGNA HealthCare nurse evaluates the request using nationally recognized guidelines. These guidelines are consistent with sound clinical principles and processes and have been developed with involvement from actively practicing health care providers. CIGNA HealthCare nurses determine what services are covered based on your plan benefits and using these guidelines. When guidelines do not exist, clinical resource tools based on clinical evidence are used.

Anytime a CIGNA HealthCare nurse is unable to approve coverage for clinical reasons, the case is referred to a CIGNA HealthCare physician who considers each case on an individual basis. The CIGNA HealthCare physician may speak with your physician to obtain additional information. You and your physician will be notified in writing if a request for a precertification number cannot be approved based on the information we received and your plan benefits.

WHEN DOES THE REVIEW OCCUR?

The review process can occur at three different times:

- Prospective review is when CIGNA HealthCare receives a request before you receive care. Determinations are made within two business days of receiving all necessary information. Notice of coverage approval will be given to your provider verbally or by fax.
- Concurrent review is when CIGNA HealthCare receives a request while you are receiving care or in a hospital, skilled nursing facility or rehabilitation facility. Determinations are made within one business day of receiving all necessary information. Notice of coverage approval will be given to your provider verbally or by fax.
- Retrospective review is when CIGNA HealthCare receives a request after you have received care. Determinations related to these services are made within thirty days after receiving all necessary information. Notice of coverage approval will be given to your provider verbally or by fax.

If your situation requires that a determination be made right away, then CIGNA HealthCare will perform an expedited review. This determination will be completed within one business day.

Licensed physicians will determine coverage denials when clinical reasons are the rationale for the denial. Denial letters will explain the reason for the decision and details on how to submit additional information and/or proceed through the formal Appeals Process, should you disagree with the coverage decision.

If your physician is part of the CIGNA HealthCare network, then he or she is responsible for contacting CIGNA HealthCare to initiate the precertification process. If you use a physician who is not part of the CIGNA HealthCare network, then you are responsible for contacting CIGNA HealthCare to initiate the precertification process. It is important for you to review your benefit plan or contact CIGNA HealthCare at the number on your CIGNA HealthCare ID card to understand which services require precertification.

WHAT IS CASE MANAGEMENT?

Case Management is when a CIGNA HealthCare Nurse provides you with assistance in coordinating services between your providers and across different care settings, such as a hospital, rehabilitation facility and your home. They will also assist you with identifying available community resources for services that may not be covered by your benefit plan or by providing you with health care information. If you think the services of a CIGNA HealthCare Nurse Case Manager might help you, call the number on your CIGNA HealthCare ID card.

Provider Compensation

CIGNA HealthCare is committed to keeping you informed about matters related to your health care plan. For that reason, we offer the following description of the way that CIGNA HealthCare compensates health care providers (physicians, hospitals and other health care practitioners and facilities) that participate in our networks.

CIGNA HealthCare compensates health care providers in ways that are intended to emphasize preventive care, promote quality care and ensure the appropriate and cost-effective use of covered medical services and supplies. CIGNA HealthCare reinforces this philosophy through utilization management decisions made by its medical directors and medical management staff. CIGNA HealthCare employees are encouraged to promote appropriate utilization of covered health care services and to discourage underutilization.

The methods by which participating health care providers agree to be compensated are described generally here. The amount and type of compensation a health care provider agrees to accept may vary depending upon the type of plan. For example, a hospital may agree to accept less for services provided to patients enrolled in an HMO plan than to patients enrolled in other types of plans. In addition, CIGNA HealthCare may attempt in various ways to promote the use of those participating providers that are the most cost-effective, while assuring quality and access to covered services and supplies.

DISCOUNTED FEE FOR SERVICE:

Payment for services is based on an agreed-upon discounted amount from the health care provider's bill.

CAPITATION:

By mutual agreement, network physicians, physician/hospital organizations (PHOs) or other provider groups are paid a fixed amount (capitation) at regular intervals for each member assigned to the physician, PHO or other provider group, whether or not services are provided. This payment covers physician and/or, where applicable, hospital or other services covered under the benefits plan. Provider groups and PHOs may in turn compensate providers using a variety of methods.

Capitation can offer health care providers a predictable income, encourage physicians to keep people well through preventive care, eliminate the financial incentive to provide services that will not benefit the patient and reduce paperwork.

CIGNA HealthCare may also work with third parties that provide network management services. Under these arrangements, CIGNA HealthCare pays the third party a fixed monthly amount per member for these services. Providers are compensated by the third party for services provided to CIGNA HealthCare plan members from the fixed amount. Compensation arrangements are agreed upon by the third parties and their contracted health care providers, and may include discounted fee for service and capitation.

Some providers and third parties that provide network management services may participate in a risk-sharing arrangement with CIGNA HealthCare; they agree on a target amount for the cost of certain services and share all or some of the amount by which costs are over or under the target. Provider services are monitored using criteria that may include accessibility, quality of care, member satisfaction and appropriate and cost-effective use of medical services and supplies.

SALARY:

Physicians and other providers who are employed to work in CIGNA HealthCare's Arizona staff-model medical facility are paid a salary. The salary is decided in advance each year and is guaranteed regardless of the services provided. Physicians are eligible for a bonus at the end of the year based on performance, which is evaluated using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies.

BONUSES AND INCENTIVES:

Some providers may receive additional payments based on their performance, which is measured using criteria that may include quality of care, quality of service and appropriate and cost-effective use of medical services and supplies. Providers may also receive financial and/or nonfinancial incentives that promote utilization of cost-effective participating providers (such as hospitals, labs, specialists and vendors) and covered drugs and supplies.

PER DIEM:

A specific amount is paid to a hospital per day for all health care received. The payment may vary by type of service and length of stay.

CASE RATE:

A specific amount is paid for all health care received in the hospital for a given hospital stay (such as for a normal maternity delivery).

If you would like to find out which compensation method applies to services you receive from a provider, just ask the provider's administrative staff. CIGNA HealthCare Member Services is available to help with general questions at the toll-free telephone number on your CIGNA HealthCare ID card.

Service Area

The following zip codes represent the member service area as of this printing. Look under specific listings in this directory for the addresses of physicians and hospitals that participate in this network.

How to Read the Physician Listing

Example:

FAMILY PRACTICE Specialty
Smith, John, MD Physician's name and degree
 CIGNA Care Network: Yes..... CIGNA Care Network provider
ID 12345678..... Physician's ID number
 Medical Group Group affiliation
 123 A Street Street address
 Town, State 00000 City, state, zip code
 (123) 456-7890 Office phone number
Hospital Affiliation *A CIGNA-contracted hospital with which this doctor is affiliated*

CIGNA CARE NETWORK®

Your plan may include CIGNA Care Network, composed of specialists selected from CIGNA HealthCare's broad network of participating providers. If CIGNA Care Network is part of your plan, and you need certain types of specialty care, you will receive a higher level of in-network benefits when you receive covered services from CIGNA Care Network providers.

A CIGNA Care Network provider is a CIGNA HealthCare participating doctor who practices in one of the specialties below. CIGNA Care Network providers meet certain criteria related to the number of CIGNA HealthCare members treated, quality, and/or efficiency. Another objective is to help ensure our members have adequate access to specialty care.

Allergy/Immunology	Gastroenterology	Obstetrics/Gynecology
Cardiology	General Surgery	Ophthalmology
Cardiovascular Surgery	Hematology/Oncology	Orthopedics
Colon and Rectal Surgery	Infectious Disease	Pulmonary Medicine
Dermatology	Nephrology	Rheumatology
Ear/nose/throat (Otolaryngology)	Neurology	Urology
Endocrinology	Neurosurgery	Vascular Surgery

If "CIGNA Care Network" is printed on your ID card, and you need care in one of the specialties listed above, the following apply:

- When you receive covered services from specialists who are CIGNA Care Network providers, you receive the in-network benefit level and your copayments or level of coinsurance will be lower.
- If you receive covered services from a CIGNA participating doctor who is not a CIGNA Care Network specialist, you are covered at the in-network benefit level—but your copayments or level of coinsurance will be higher.

A doctor's status in the CIGNA Care Network may change. Before visiting your doctor, always check your provider directory to find out if the provider is a CIGNA Care Network specialist. You will find the latest information on www.cigna.com.

The physicians listed in this directory are independent contractors. They are not the agents nor employees of, nor under the control of any CIGNA company.

Participation by providers listed in this directory is not guaranteed and may be subject to change. Please ask your provider whether he/she is still participating in the network or call Customer Service.

★ Board Certified
 ● Accepting current patients only
 ✓ This provider does not participate in the CIGNA HealthCare Open Access Plan at this location.

Primary Care Physicians

You may choose your personal primary care physician from the following list of doctors specializing in Family Practice, General Practice, Internal Medicine or Pediatrics. Remember, you can select a different doctor for each member of your family.

Obstetricians/Gynecologists

Your benefit plan offers an annual "well-woman" gynecological exam. To receive your annual well-woman exam, you may visit one of the participating obstetricians/gynecologists listed here. Or, if you prefer, your primary care physician can perform your exam. If you choose an obstetrician/gynecologist for your well-woman exam, just call one of these participating doctors to make an appointment. You do not need a referral from your primary care physician. Some plans may differ. If you have questions on your plan, contact Member Services.

“CIGNA” or “CIGNA HealthCare” refers to the various operating subsidiaries of CIGNA Corporation. Products and services are provided by these subsidiaries and not by CIGNA Corporation. These subsidiaries include Connecticut General Life Insurance Company, Tel-Drug, Inc. and its affiliates, CIGNA Behavioral Health, Inc., Intracorp, and HMO or service company subsidiaries of CIGNA Health Corporation and CIGNA Dental Health, Inc.

In Arizona, HMO plans are offered by CIGNA HealthCare of Arizona, Inc. In California, HMO plans are offered by CIGNA HealthCare of California, Inc. In Virginia, HMO plans are offered by CIGNA HealthCare of Virginia, Inc. and CIGNA HealthCare Mid-Atlantic, Inc. In North Carolina, HMO plans are offered by CIGNA HealthCare of North Carolina, Inc. All other medical plans in these states are insured or administered by Connecticut General Life Insurance Company.
