

How do I set up this service?

1. Complete the attached application.
2. Make a copy of the application for your records.
3. Send your application to the following address:

Bonneville Power Administration
Attn: APP Program, FT-2
P.O. Box 3621
Portland, OR 97208-3621

After BPA has received the completed form, we will notify you in writing about the status of your application for APP; send a prenote (test)

transaction through the system to verify all account information, and schedule a start date for the first debit.

Questions?

What is the Automatic Payment Plan?

The Automatic Payment Plan (APP) is an electronic payment option, which authorizes the Bonneville Power Administration (BPA) to automatically withdraw recurring payments to BPA from a customer's bank account. This option is an alternative to wire transfers, automated clearinghouse (ACH) credits (Remittance Express), and paper checks.

What are the benefits?

It is free. Financial institutions usually charge varying amounts for wire transfers and ACH credits. These costs can add up, especially now that many customers are receiving two separate bills from BPA. Ideally, customers enrolled in the Plan will never have a late payment!

On what day will my bank account be debited and for how much?

Customers will continue to receive bills from BPA and there will be a sticker on the bill stating that the BPA portion* of the bill will be paid via preauthorized debit and the bill is for accounting information only. For amounts owed to BPA, accounts will be debited on the payment due date for the amount due on the bill. Bills due on a weekend or holiday will be debited the next business day.

*Customers who have amounts due to Energy Northwest (formerly Washington Public Power Supply System) or Eugene Water & Electric Board will be expected to pay these utilities directly.
