### (SPECIMEN NOTE RATE ATTACHMENT)

This Attachment contains several specimen interest rates which may be used as the Reference Rate. If the interest rate is based on a Reference Rate which is NOT the same as one of those defined in this Attachment, then the Lender uses such rate at its own risk and such note will not be a note in the form provided by Eximbank for purposes of the Policy.

### 1. Reference Rate based on LIBOR: Choose one of the following:

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum (rounded upward, if necessary, to the nearest 1/16 of 1%) quoted by the principal London office of \_\_\_\_\_\_ [Lender to specify, e.g., "the Lender" or "an affiliate of the Lender designated by the Lender" or "Citibank, N.A." or "Bank of America, N.A."] for offering to leading banks in the London interbank market of United States Dollar deposits at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period for a period and in an amount comparable to such Interest Period and the principal amount upon which interest is to be paid during such Interest Period.

### OR

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum (rounded upward, if necessary, to the nearest 1/16 of 1%) specified as the London Interbank Offered Rate (LIBOR) in the Wall Street Journal under the table entitled "Money Rates" as of approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period for a period and in an amount comparable to such Interest Period and the principal amount upon which interest is to be paid during such Interest Period.

### OR

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum (rounded upward, if necessary, to the nearest 1/16 of 1%) specified as the London Interbank Offered Rate (LIBOR) in the Reuters Decision 2000 application under the Price History Display in effect at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period for a period and in an amount comparable to such Interest Period and the principal amount upon which interest is to be paid during such Interest Period.

# OR

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum (rounded upward, if necessary, to the nearest 1/16 of 1%) specified as the London Interbank Offered Rate (LIBOR) on the Telerate Screen, page 3750, at approximately 11:00 a.m.

EIB-92-58B (1/98)

(London time) two Business Days prior to the first day of such Interest Period for a period and in an amount comparable to such Interest Period and the principal amount upon which interest is to be paid during such Interest Period.

2. Reference Rate based on Prime: Choose one of the following:

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum announced publicly by [Lender to specify, e.g., "the Lender" or "Bank of America, N.A." or "Citibank, N.A."] as its "Prime Rate" and in effect two Business Days prior to the first day of such Interest Period.

### OR

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum specified as the Prime Rate in the Wall Street Journal under the table entitled "Money Rates" as of two Business Days prior to the first day of such Interest Period.

3. Reference Rate based on U.S. Treasuries: Choose one of the following

Reference Rate shall mean, in relation	to any Interest Period, the rate of interest per
annum equal to the sum (rounded upwards, if	necessary, to the next 0.001%) of the then current
yield to maturity of the fixed rate U.S. Treasu	ry securities with a remaining term to maturity
approximating the then weighted average life	to maturity of this Note, (not less than six months),
as specified in as of	two Business Days prior to the first day of such
Interest Period	· -

Reference Rate shall mean, in relation to any Interest Period, the rate of interest per annum equal to the current yield to maturity specified in the Federal Reserve Statistical Release H.15 (519) Selected Interest Rates for Treasury Bills under the category entitled "U.S. Government Securities, Treasury Constant Maturities", as of two Business Days prior to the first day of such Interest Period for U.S. Treasuries securities having a remaining maturity (not less than six months) approximating the then average life to maturity of this Note.
