Storm Data and Unusual Weather Phenomena

November 2004

| Location | Date | Time Local/ Standard | Path Length (Miles) | Path Width (Yards) | Number of Persons Killed | Number of Persons Injured | Estimated Damage Property | Estimated Damage Crops | Character of Storm |
|----------|------|----------------------------|---------------------------|--------------------------|--------------------------------|---------------------------------|---------------------------------|------------------------------|--------------------|
|----------|------|----------------------------|---------------------------|--------------------------|--------------------------------|---------------------------------|---------------------------------|------------------------------|--------------------|

ILLINOIS, South

Perry County

| | | | | | | | | | |
|----------|----|--------------------|--|--|---|---|--|--|------------|
| Du Quoin | 01 | 1500CST 1700CST | | | 0 | 0 | | | Heavy Rain |
|----------|----|--------------------|--|--|---|---|--|--|------------|

Water was completely across Park Road about 3/4 mile east of White Walnut Road.

Alexander County

| | | | | | | | | | |
|-------|----|--------------------|--|--|---|---|--|--|-------------|
| Cairo | 01 | 2140CST 2230CST | | | 0 | 0 | | | Flash Flood |
|-------|----|--------------------|--|--|---|---|--|--|-------------|

An underpass was flooded in Cairo, and water was over a few side streets.

Pulaski County

| | | | | | | | | | |
|---------|----------|--------------------|--|--|---|---|--|--|-------------|
| Olmsted | 01 02 | 2200CST 0015CST | | | 0 | 0 | | | Flash Flood |
|---------|----------|--------------------|--|--|---|---|--|--|-------------|

A county road was barricaded due to flooding.

A broad area of heavy rain produced average rainfall from three quarters to one inch an hour.

Jefferson County

| | | | | | | | | | |
|---------------|----|---------|--|--|---|---|--|--|------------|
| 9 W Mt Vernon | 01 | 1505CST | | | 0 | 0 | | | Hail(0.75) |
|---------------|----|---------|--|--|---|---|--|--|------------|

Jefferson County

| | | | | | | | | | |
|-----------|----|--------------------|--|--|---|---|--|--|------------|
| Mt Vernon | 11 | 0900CST 1100CST | | | 0 | 0 | | | Heavy Rain |
|-----------|----|--------------------|--|--|---|---|--|--|------------|

Flooding of streets and basements occurred in typical problem areas. Rainfall estimates were about two inches during the early morning hours.

Hamilton County

| | | | | | | | | | |
|------|----|--------------------|--|--|---|---|--|--|------------|
| Dale | 11 | 1030CST 1200CST | | | 0 | 0 | | | Heavy Rain |
|------|----|--------------------|--|--|---|---|--|--|------------|

A nearly stationary band of moderate to heavy rain during the morning produced around two inches of rain. Water was close to going over Route 142.

INDIANA, Southwest

INZ086

Vanderburgh

| | | | | | | | | | |
|----|--------------------|--|--|--|---|---|----|--|--------------------|
| 24 | 1400CST 1700CST | | | | 0 | 0 | 5K | | Strong Wind (EG40) |
|----|--------------------|--|--|--|---|---|----|--|--------------------|

Winds gusted to around 45 MPH in the wake of a strong cold front. Some power lines were blown down, interrupting power to about 1,500 utility customers. Most of the power outages were between downtown Evansville and the Evansville Regional Airport.

MISSOURI, Southeast

Mississippi County

| | | | | | | | | | |
|------------|----------|--------------------|--|--|---|---|--|--|-------------|
| Charleston | 01 02 | 2125CST 0030CST | | | 0 | 0 | | | Flash Flood |
|------------|----------|--------------------|--|--|---|---|--|--|-------------|

Water covered roads in the city. This was the result of a broad area of rain producing 3/4 to 1 inch of rain per hour.

New Madrid County

| | | | | | | | | | |
|----------------|----------|--------------------|--|--|---|---|--|--|-------------|
| 2 SE Morehouse | 01 02 | 2214CST 0100CST | | | 0 | 0 | | | Flash Flood |
|----------------|----------|--------------------|--|--|---|---|--|--|-------------|

Water was reported on Route FF due to a broad area of heavy rainfall, up to an inch per hour.

Stoddard County

| | | | | | | | | | |
|--------------------|----------|--------------------|--|--|---|---|--|--|-------------|
| Essex to Frisco | 01 02 | 2307CST 0100CST | | | 0 | 0 | | | Flash Flood |
|--------------------|----------|--------------------|--|--|---|---|--|--|-------------|

Water was over the intersection of Route FF and Highway 60. Route KK was barricaded between Frisco and Route 114. Rainfall estimates were 2 to 3 inches in 30 minutes over southwest parts of the county.
