

BID LIST NO. 0455

SPECIFICATION FOR GLOVES, COTTON, MEDIUM WEIGHT

PROPERTY NO. 011223

General Requirements

Gloves covered under this specification are for protection of workers' hands against paper cuts and other irritation during inspection and other light to medium duty paper handling tasks.

Specific Requirements

Construction: Gloves to be reversible (ambidextrous) bleached cotton or synthetic fiber knit fabric.

Size: The glove shall stretch to fit most small to medium hands.

Sample Requirement

One pair of gloves is required.
