P: CoC Coordination Chart

A CoC should regularly assess the local homeless system and identify shortcomings and unmet needs. One of the keys to improving a CoC is to use long-term strategic planning to establish specific goals and then implement short-term/medium-term action steps. Because of the complexity of the existing homeless system and the need to coordinate multiple funding sources, there are often multiple long-term strategic planning groups. It is imperative for CoCs to coordinate, as appropriate, with each of these existing strategic planning groups to meet the local CoC shortcomings and unmet needs. Answer each question in the checkbox provided, using an X to indicate Yes or No for each.
