

2009 National Small Business Week Nomination Guidelines

“During Small Business Week and throughout the year, we recognize the determination and ingenuity of America’s workers and entrepreneurs who play a vital role in building a more prosperous future for our country...I call upon all Americans to observe this week with appropriate ceremonies, activities, and programs that celebrate the achievements of small business owners and their employees and encourage the development of new small businesses.”

George W. Bush
President of the United States

(2008 Small Business Week Proclamation)

Dear Supporters of America's Small Business Community:

Every year since 1963, the President has proclaimed National Small Business Week to recognize the contributions of small businesses to the economic well-being of America. Each year, the U.S. Small Business Administration recognizes this special impact made by outstanding small business owners, and by champions of America's entrepreneurs.

In 2009, National Small Business Week will honor the estimated 26.8 million small businesses in America. Small businesses are major contributors to the strength of the American economy, and their impact is huge. They represent 50 percent of the non-farm GDP. They also create 60-80 percent of new jobs in the country. Through the work of entrepreneurs, jobs are created, families are given hope for a better life, and indeed, whole communities are transformed.

During National Small Business Week, we showcase and recognize some of the most successful and inspiring of these entrepreneurs. We would ask for your assistance in finding, and nominating candidates for these awards. Please take the time over the coming weeks to identify outstanding small companies in your district and to champion them through this nomination process. Through your support of the finest candidates in your region, you will be helping our national recognition efforts immensely.

Warm regards,

Jovita Carranza
Acting Administrator

All SBA programs and services are provided on a nondiscriminatory basis.

1st Mortgage Lender of the Year Award

The 1st Mortgage of the Year lender award will go to both a large (over \$1B) and a small lender (Under \$1B). These lenders must be a 1, 2 or 3 rated regular 7(a) lender. These lenders will all be evaluated based on a blend of loan dollars (40%), loan counts (20%), number of states (20%), and "Signature Deal" (20%). "Signature Deal" encourages the bank and the CDC to select one deal they think best embodies the mission and public purpose of the 504 program and submit it with the nomination package with a one page write-up with a photo. Adding this factor provides some subjectivity to the nomination and award-making process. The lender must have at least a 10% increase in 504 loan numbers or dollars year over year to qualify.

By evaluating 1st mortgage lenders with this criteria we will be emphasizing the factors we consider when identifying good lenders.
