David & Jolene Wilson
residents residing on Seven Mile RE: project zone

From: David & Jolene Wilson Sent: Aug 9.2007 To: BPA Public Involvement Subject: Cascade Wind Interconnection To Whom It May Concern: BPA Public Involvement, We reside here on Seven Mile Hill Rd... and have since 1995. Our concerns as we have mentions before are some of the following:> 1) Health risks from these towers audible noise & flicker possible cancer. 2)Fire hazards> down towers, wind fueling fire ect.. 3)Nationl scenic area> detrement to 4)Loss of propety value to our homes and our lands we own here on Seven Mile including >TOTAL invasion! 5)Wild life will be affected 6)Private Wells can be affected by blasting and also electrolosis from buried power lines. 7)Traffic issues in regards to health & Safety. 8)Designated National Oak Habitate. 9)Intrusion On private property for access roads. 10)Washington residents & vistors to the National Scenic areas.. views are destroyed! ... Kind reagrds~ Jolene & David Wilson
