PRIVACY ACT NOTICE

General:

This information is provided pursuant to Public Law 95-3579 (Privacy Act of 1974) December 31, 1974, for individuals completing the VS 1-36A.

Authority:

U.S. Code, Title 5, Section 3301 - this is what is on the current 1-36A 7 U.S.C. & 8309, 21 U.S.C. 113a. - this is what is on the new SOR.

Purpose and Use:

The purpose of this form is to apply for veterinary accreditation by the Animal and Plant Health Inspection Service, U.S. Department of Agriculture.

Routine Uses:

This information will be used for (1) Referral to State Animal Health officials to certify accreditation status. (2) Referral to State veterinary examining boards to certify accreditation status. (3) Referral to the appropriate agency, whether Federal, State, local, or foreign, charged with the responsibility of investigating or prosecuting a violation of law, or of enforcing or implementing the statute, rule, regulation or order issued pursuant thereto, of any record within this system when information available indicates a violation or potential violation of law, whether civil, criminal or regulatory in nature, and whether arising by general statute or particular program statute, or by rule, regulation, or order issued pursuant thereto. (4) Disclosure to the Department of Justice has agreed to represent the employee, or the United States, where the agency determined that litigation is likely to affect the agency or any of its components, is a party to litigation or has an interest in such litigation, and the use of such records by the Department of Justice is deemed by the agency to be relevant and necessary to the litigation; provided, however, that in each case, the agency determines that disclosure of the records to the Department of Justice is a use of the information contained in the records that is compatible with the purpose for which the records were collected. (5) Disclosure in a proceeding before a court or adjudicative body before which the agency is authorized to appear, when the agency, or any component thereof, or any employee of the agency in his or her official capacity, or any employee of the agency in his or her individual capacity where the agency has agreed to represent the employee, or the United States, where the agency determines that litigation is likely to affect the agency or any of its components, is a party to litigation or has an interest in such litigation, and the agency determines that use of such records is relevant and necessary to the litigation; provided, however, that in each case, the agency determines that disclosure of the records to the court is a use of the information contained in the records that is compatible with the purpose for which the records were collected. (6) Disclosure may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual. (7) To periodically disseminate information and solicit feedback from accredited veterinarians within the system on proposed Federal programs for the purpose of educating and involving the accredited veterinarians in current program development, program requirements, and standards of conduct. (8) Disclosure to the public for the purpose of locating and contacting accredited veterinarians for a specific geographical location. (9) To contact accredited veterinarians to solicit participation in emergency response efforts to contain or control animal diseases of regulatory concern.

Effects of Nondisclosure:

Although this information is voluntary, failure to complete all the information may delay the process of the application or it may result in the application not being processed. The social security number and birth date will be used to create a unique identifier.
