### SKATE PARK CLOSURE

On Monday August 7, 2006 the parks maintenance staff discovered a large amount of graffiti at our skate park. Due to the location and extent of the graffiti the skate park will be closed for use. The Parks Division will address the issues as promptly as possible.

The Parks Division is committed to a graffiti free and safe facility. The graffiti and vandalism that we have experienced at the skate park is very unfortunate. These issues continue to tax our limited resources. For the benefit of everyone that would like to enjoy the facility and those of us that have to maintain the facility, we respectfully request that the graffiti and vandalism stop.

If you have any suggestions on how to address these unfortunate issues feel free to contact the Park Superintendent.
