

“Tread” your way to a better commute and win a free bicycle!

MAY 14 — 18, 2007

City of Lodi—Get ready to participate in one of the largest events of its kind in the Country—BIKE TO WORK WEEK. This exciting and fun event promotes cycling as a form of transportation to the workplace, celebrates those who bicycle commute throughout the year and promotes an environmentally friendly transportation option and promotes clean air.

Simply pledge to ride your bike or walk to work at least one day during Bike-to-Work week and you will be entered into a drawing for a free bicycle and helmet. It’s that easy.

So, join your fellow co-workers and sign-up at the Commute Connection table in the Lobby at City Hall on Friday, May 11th, 7:30 am—9:00 am and enjoy refreshments and more free goodies.

Commute Connection, the regional ridesharing program operated by the San Joaquin Council of Governments, sponsors the drawing for San Joaquin and Stanislaus Counties. Commute Connection is a program designed to help commuters make the transition from driving alone to a convenient ridesharing option such as car or van pooling, bicycling/walking or riding transit.

Free bicycle & helmet sponsored in part by Valley Sporting Goods in Modesto.
