When the members jointly occupy family-type quarters, neither member is authorized BAH or OHA, even though other dependents do not reside in the quarters, unless the dependents are prevented by a military order from occupying quarters.

When two members marry, and prior to their marriage one or both members were in receipt of a housing allowance at either the with-dependents rate, the with-dependents based on payment of child support, or the BAH-Diff rate, on their marriage date all of their dependents (including dependent parents) are considered as one class of dependents for housing allowance purposes. One member is authorized a with-dependents housing allowance and the other member is authorized a without-dependents housing allowance.

When at least one of the members is an **E3 or below, assigned afloat**, and there are no other dependents, see Figure 3-11 in the Pay Manual.
