ORDER

The Motion to Present Oral Argument, submitted by the Petitioners and Amicus American Federation of Labor & Congress of Industrial Organizations, is denied as the record and briefs adequately present and address the issues and the positions of the

parties and amici.¹ The Board especially notes in this regard that, pursuant to a July 25, 2003 Notice and Invitation to File Briefs on specific questions of concern to the Board, numerous amici as well as the parties availed themselves of the opportunity to present briefs.

Member Liebman dissents and would grant the Motion.

By direction of the Board:

Dated at Washington, D.C., June 23, 2006

Richard D. Hardick
Associate Executive Secretary

¹ The Board has considered Amicus Service Employees International Union's Memorandum in Support of Motion to Present Oral Argument and Oakwood Healthcare's Response in Opposition to the Motion.
