# Professional Education Materials

## A Medical Education Model for the Prevention and Treatment of Alcohol Use Disorders

- For teaching general medical students and residents in the primary care specialties
- Provides 1-hour modules that can be presented independently or in clusters
- Includes modules on topics such as doctor-patient communication skills, screening and assessment, brief intervention, pharmacotherapy, and management of pain and anxiety in addicted patients
- Comes complete with more than 200 slides on computer disk

Developed by Michael Fleming, MD, MPH, of the University of Wisconsin School of Medicine, and Margaret Murray, MSW, of the National Institute on Alcohol Abuse and Alcoholism.

Copies are \$100, including shipping. To order, send payment (check, money order, MasterCard, or Visa) to NIAAA Publications Distribution Center, P.O. Box 10686, Rockville, MD 20849-0686, or visit the NIAAA Web site ([www.niaaa.nih.gov](http://www.niaaa.nih.gov)).
