NLRB ELECTION REPORT

CASES CLOSED JULY 2000

EDITOR'S NOTE: This monthly report lists the outcome of secret-ballot voting by employees in NLRB-conducted representation elections as officially certified following resolution of postelection objections and/or challenges. Inquiries regarding the contents of this report should be directed to the Division of Information, National Labor Relations Board, 1099 14th St., N.W., Washington, D.C. 20570. This publication is distributed monthly on a subscription basis by the Government Printing Office. New subscription requests, questions regarding current subscription, or requests for individual issues covering each of the previous 6 months should be addressed to Subscription Research Section, U.S. Government Printing Office, Washington, D.C. 20402. Use stock number 731-001-00000-6 when ordering from GPO. Orders should not be sent to the NLRB. Annual subscriptions are \$52.00 (domestic) and \$72.80 (foreign); individual issues are \$6.50 (domestic) and \$9.10 (foreign).

During FY 2000, the NLRB improved the way it tracks and collects case activity data. A new nationwide data system was developed and deployed during the period 1998–1999. Election Reports for July, August, and September 2000 are the first done with statistical tables derived solely from the new system. Publication of these reports was delayed by the conversion to the new system. While significant efforts were made to verify the accuracy of the FY 2000 data, some inconsistencies can be found between some tables in these reports and in comparing data in the ER and Annual Report. The Agency continues to refine the new database and in due course will be able to verify its accuracy within a minimal margin of error.
