

## **REQUIRED LISTS, SCHEDULES, STATEMENTS AND FEES**

It is contemplated that the primary use of this form will be to give information regarding the steps necessary for the filing of a petition to those who make inquiry of the clerk's office.

Check boxes have been included so that the court can give the form to debtors who file an incomplete set of papers, with check marks denoting the documents which are missing, the deadline for filing the documents, and the section of the Code or Bankruptcy Rule which requires the documents to be filed.
