

Lakeland Community College, Ohio The Great Lakes Regional Scholarship Program

Executive Summary

Program Name: Great Lakes Regional Scholarship Program

Institution: Lakeland Community College, Ohio

Funding Request: \$150,000 to support scholarships to students who enroll in the distance-learning program with Lakeland Community College

Abstract: Lakeland is leading an initiative to deliver its Nuclear Engineering Technology (NUET) Program (27 credit hours of NUET courses) using videoconferencing technology to several colleges in the Great Lakes Region. We recently submitted a proposal entitled “*The Great Lakes Nuclear Workforce Training Initiative*,” for funding consideration under the Department of Labor’s High Growth Job Training Initiative for the Energy Industry.
