reviews by November 17, 2005. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determinations.—The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: October 12, 2005. By order of the Commission.

## INTERNATIONAL TRADE **COMMISSION**

[Inv. No. 731-TA-663 (Second Review)]

## **Explanation of Commission Determination on Adequacy in Paper** Clips From China

On October 4, 2005, the Commission unanimously determined that it should proceed to an expedited review in the subject five-year review pursuant to section 751(c)(3)(B) of the Tariff Act of 1930, as amended, 19 U.S.C. 1675(c)(3)(B).

The Commission determined that the domestic interested party group response to the notice of institution was adequate. The Commission received responses to the notice of institution from two domestic producers, ACCO Brands USA LLC and Officemate International Corporation. Because the Commission received adequate responses from two producers representing the overwhelming majority of domestic production, the Commission determined that the domestic interested party group response was adequate.

The Commission did not receive a response from any respondent interested party, and therefore determined that the respondent interested party group response to the notice of institution was inadequate. In the absence of an adequate respondent interested party group response, and any other circumstances that it deemed warranted proceeding to a full review, the Commission determined to conduct an expedited review. A record of the Commissioners' votes is available from the Office of the Secretary and the Commission's Web site (http:// www.usitc.gov).

By order of the Commission.

Issued: October 12, 2005.
