

Testing and Evaluation of the Subcarrier Traffic Information Channel

John F. Mastrangelo
Wayne R. Rust

U.S. DEPARTMENT OF COMMERCE
Mickey Kantor, Secretary

Larry Irving, Assistant Secretary
for Communications and Information

September 1996

PRODUCT DISCLAIMER

Certain commercial companies, equipment, instruments, and materials are identified in this report to specify adequately the technical aspects of the reported results. In no case does such identification imply recommendation or endorsement by the National Telecommunications and Information Administration, nor does it imply that the material or equipment identified is necessarily the best available for the purpose.
