

STEPHEN BALDWIN
USA Freedom Corps – Volunteering PSA

(:60)

Hey everybody, this is Stephen Baldwin, Actor, Filmmaker – and volunteer.

I was lucky enough to learn the values of volunteering from the example set by my parents. They taught me how important it is to reach out to others and offer them my help and support.

My faith has taught me the same lesson. I consider myself a Spiritual Activist. For me, faith and volunteering go hand in hand. It's through my faith that I feel the freedom and energy to volunteer.

I've seen over and over again how reaching out to kids in crisis can help free them from the most difficult problems. It's a life-transforming experience – for them, and for me.

For you, too, if you follow your inspiration and offer some of your time and energy to help others.
