COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

41 CFR Ch. 51

Semiannual Regulatory Agenda

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Semiannual regulatory agenda.

SUMMARY: This document sets forth the regulatory agenda of the Committee for Purchase From People Who Are Blind or Severely Disabled (the Committee). This agenda is issued in accordance with Executive Order 12866 and the Regulatory Flexibility Act. The agenda lists regulations that are currently under development or review or that the Committee expects to have under development or review during the next 12 months. The purpose for publishing this agenda is to advise the public of the Committee's current and future regulatory actions.

FOR FURTHER INFORMATION CONTACT: For further information on the agenda in general, contact G. John Heyer, General Counsel, Committee for Purchase From People Who Are Blind or Severely Disabled, 1421 Jefferson Davis Highway, Jefferson Plaza 2, Suite 10800, Arlington, VA, 22202-3259; (703) 603-0665. For information about a specific regulation project listed on the agenda, contact the person designated in the agenda for that regulation.

SUPPLEMENTARY INFORMATION: Under Executive Order 12866 (58 FR 51735, October 4, 1993), each agency is required to prepare an agenda of all regulations under development or review. The Regulatory Flexibility Act (5 U.S.C. 601-612) has a similar agenda requirement (5 U.S.C. 602). Under the law, the agenda must list any regulation that is likely to have a significant economic impact on a substantial number of small entities.

The Office of Management and Budget has issued guidelines prescribing the form and content of the regulatory agenda. Under those guidelines, the agenda must list all regulatory activities being conducted or reviewed in the next 12 months and provide certain specified information on each regulation. All of the items on this agenda are current or projected rulemakings.

Abstract: The Committee for Purchase From People Who Are Blind or Severely Disabled (The Committee), which is responsible for administering and overseeing the implementation of the Javits-Wagner-O'Day (JWOD) Act, proposes to amend its regulations by requiring nonprofit agencies awarded Government contracts under the authority of the JWOD Act, as well as central nonprofit agencies designated by the Committee, to comply with new governance standards. The proposed governance standards are primarily based on standards that are common practice in nonprofit and business communities. These new standards would include, among other things, standards concerning the practices of boards of directors and the reasonableness of executive and other employee compensation. Recent accounts alleging, and public concern regarding, isolated instances of excessive compensation packages for nonprofit agency executives; a perceived lack of full disclosure in the financial reporting of nonprofit agencies; and the absence of formal guidelines to establish independent boards of directors for JWOD-affiliated central nonprofit agencies and nonprofit agencies prompted this proposed change. If fully implemented, this change would help promote sound governance procedures for central nonprofit agencies and nonprofit agencies participating in the JWOD-Program, help ensure the effective and transparent administration of Government contract funds, and continue to maintain a high level of public support for the JWOD Program's employment mission.

Priority: Substantive, Nonsignificant

Legal Authority: 41 USC 46 to 48c

CFR Citation: 41 CFR 51-5

Legal Deadline: None

Abstract: The Committee for Purchase From People Who Are Blind or Severely Disabled (The Committee), which is responsible for administering the Javits-Wagner-O'Day (JWOD) Act, proposes to amend its regulations by adding guidelines for Federal agencies' use in determining whether commercial commodities are ``essentially the same'' as items on the Procurement List. The Procurement List is the official list of commodities and services that the Committee has determined to be suitable for provision to the Government by nonprofit agencies employing people who are blind or who have other severe disabilities and that, pursuant to the JWOD Act and the regulations, must be purchased from the source designated by the Committee. The guidelines for Federal agencies would clarify the meaning and applicability of the term ``essentially the same,'' which currently appears but is not defined in the Committee's regulations. As such, the guidelines would assist Federal employees who make purchasing decisions in complying with the JWOD Act.

Abstract: The Committee for Purchase From People Who Are Blind or Severely Disabled (The Committee), which is responsible for administering and overseeing the implementation of the Javits-Wagner-O'Day (JWOD) Act, is planning to propose to amend its regulations by adding a requirement that for total JWOD project work, the direct labor hours performed by people who are blind or severely disabled must be at least 75 percent, and for individual

JWOD projects, the direct labor hours performed by people who are blind or severely disabled must be no lower than 60 percent. This proposed rule would also, among other things, provide a mechanism for the phase-in of projects that cannot initially meet the direct labor hour percentage requirements set forth in the proposal.
