Oak Ridge Site Specific Advisory Board

May 4, 2000

Mr. Rod Nelson
Assistant Manager for Environmental Management
DOE-Oak Ridge Operations
P.O. Box 2001, EM-90
Oak Ridge, TN 37831

Dear Mr. Nelson:

Support of Pilot Project Concept

At our May 3, 2000, Board meeting, the Oak Ridge Site Specific Advisory Board supported the concept that the City of Oak Ridge and DOE participate in a pilot project designed to integrate long-term stewardship needs into the City's geographical information system and records management systems. This is consistent with the Board's interest in long-term stewardship information and documentation.

We appreciate your consideration of this letter and look forward to receiving your written response.

Sincerely,

A handwritten signature in black ink that reads "Steven H. Kopp".
