Dear Ms. Gomez:

The purpose of this Final Report (Report Number 24-08-004-03-330) is to formally advise you of the results of a Quality Control Review (QCR) the U.S. Department of Labor, Office of Inspector General (OIG), conducted of the following audit performed by Thompson, Williams, Biediger, Kastor & Young, L.C. under the Federal Single Audit Act and Office of Management and Budget (OMB) Circular A-133 (A-133):

Single Audit of the Alamo Workforce Development, Inc. for the fiscal years ended June 30, 2005 and 2004.

The objectives of the QCR were to 1) ensure that the audit was conducted in accordance with applicable standards and meets the single audit requirements, 2) identify any follow-up audit work needed, and 3) identify issues that may require management attention. Our review was conducted from February 11, 2008 through February 15, 2008, using the President's Council on Integrity and Efficiency (PCIE) Uniform QCR Guide for A-133 Audits.

The major programs included in our review were:

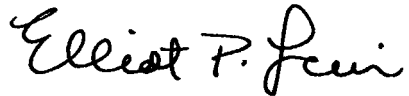

Catalog of Federal
Domestic Assistance

<u>(CFDA) Number</u>	<u>Program Name</u>
17.245	Trade Adjustment Assistance
93.596/93.575	Child Care Mandatory and Matching Funds of the Child Care and Development Fund/Child Care and Development Block Grant

Based on our review of the audit documentation related to the programs above, we believe the audit work performed was acceptable and meets the requirements of the Single Audit Act Amendments of 1996 and OMB Circular A-133. No follow-up work is required nor did we note any issues to be reported to management.

If you have any questions concerning the results of the QCR, please contact Rhonda Goveia, Director, Office of Audit Quality Assurance, at (202) 693-5162.

Sincerely,
