

Post-Master's Associate in Forensic Mass Spectrometry

Chemical Sciences Division Oak Ridge National Laboratory Oak Ridge, Tennessee

ORNL08-42-CSD

Project Description:

The Oak Ridge National Laboratory is seeking a post-master's associate to research fingerprints on IED fragments. Applications are sought from highly creative and motivated individuals with experience in forensic mass spectrometry.

Qualifications:

A master's degree is required in chemistry or related science, plus experience in forensic mass spectrometry. Applicants cannot have received the most recent degree more than five years prior to the date of application and must complete all degree requirements before starting their appointment.

How to Apply:

Qualified applicants may apply online at https://www2.ornl.gov/ORNL_POST/. All applicants will need to register before they can begin the online application. For complete instructions, on how to apply, please see the instructions at <http://www.ornl.gov/orise/edu/ornl/ornl-pdpm/application.htm>. When corresponding to ORNL regarding this position, please reference the position title and number.

This appointment is offered through the ORNL Postdoctoral Research Associates Program and is administered by Oak Ridge Associated Universities (ORAU). This appointment is open to all qualified U.S. and non-U.S. citizens without regard to race, color, age, religion, sex, national origin, physical or mental disability, or status as a Vietnam-era veteran or disabled veteran.
