5 best interest of the university, including but not limited to  
6 contracting for a support facility under section 304A-E, and  
7 contracting for interest rate swaps, swaptions, interest rate  
8 floors, and other similar contracts to hedge or reduce the  
9 amount or duration of payment, rate, spread, or similar risk or  
10 to reduce the cost of borrowing when used in conjunction with  
11 revenue bonds issued pursuant to this subpart.

12           (c) The board may make appropriate arrangements for the

22 sale of the revenue bonds to any person or group of persons, to

1 the United States of America, or any board, agency,  
2 instrumentality, or corporation thereof, to the employees'  
3 retirement system of the State, to any political subdivision of  
4 the State, or to any board, agency, instrumentality, public  
5 corporation, or other governmental organization of the State or  
6 of any political subdivision of the State.

7       The sale of the revenue bonds by the board by negotiation  
8 shall be at the price and upon the terms and conditions, and the  
9 revenue bonds shall bear interest at the rate or varying rates  
10 determined from time to time in the manner, as approved by the  
11 board.

12       The sale of the revenue bonds by the board at competitive

21 resolution of the board, to the chairman, the president, or  
22 another designated officer.

1 (e) The purpose of this subsection is to authorize any

5 retirement, compensation, pension, trust funds, and funds held  
6 on deposit, for the purchase of any revenue bonds issued under  
7 this subpart. All public officers and bodies of the State, all  
8 political subdivisions, all insurance companies and  
9 associations, all banks, savings banks, and savings  
10 institutions, including building or savings and loan  
11 associations, all credit unions, all trust companies, all  
12 personal representatives, guardians, trustees, and all other  
13 persons and fiduciaries in the State who are regulated by law as  
14 to the character of their investment, may legally invest funds  
15 within their control and available for investment in revenue  
16 bonds issued under this subpart.

17 **§304A-E Support facility for variable rate revenue bonds.**  
18 If revenue bonds issued pursuant to this subpart are issued  
19 bearing interest at a rate that varies from time to time or with  
20 a right of holders to tender the revenue bonds for purchase, or  
21 both, the board may contract for the support facility and  
22 remarketing arrangements as are required to market the revenue

1 bonds to the greatest advantage of the board and the university  
2 upon terms and conditions that the board deems necessary and  
3 proper.

4 The board may enter into contracts or agreements with the  
5 entity providing a support facility; provided that any contract  
6 or agreement shall provide that any amount due and owing by the  
7 board under the contract or agreement on an annual basis shall  
8 be payable from the revenue of the university; provided further  
9 that any obligation issued or arising pursuant to the terms of  
10 the contract or agreement in the form of revenue bonds, notes,  
11 or other evidences of indebtedness shall only arise at such time  
12 as:

- 13 (1) Moneys or securities have been irrevocably set aside  
14 for the full payment of a like principal amount of  
15 revenue bonds issued pursuant to this subpart; or
- 16 (2) A like principal amount of the issue or series of  
17 revenue bonds to which the support facility relates  
18 are held in escrow by the entity or entities providing  
19 the support facility.

20 §304A-F CUSIP identification numbers. The board may  
21 provide that CUSIP identification numbers shall be printed on

1 revenue bonds issued under this subpart. If numbers are printed  
2 on any such revenue bonds:

3 (1) No number shall constitute a part of the contract  
4 evidenced by the particular revenue bond upon which it  
5 is printed; and

6 (2) No liability shall attach to the board or any officer  
7 or agent thereof or the State or any officer thereof,  
8 including any fiscal agent, paying agent, or registrar  
9 for revenue bonds, by reason of the numbers or any use  
10 made thereof, including any use thereof made by the  
11 board or any officer or agent thereof, the State, any  
12 officer or agent thereof, or by reason of any  
13 inaccuracy, error, or omission.

14 The board may require that all costs of obtaining and  
15 printing the CUSIP identification numbers shall be paid by the  
16 purchaser of the revenue bonds.

17 **§304A-G Covenants in resolution authorizing revenue bonds.**

18 Any resolution authorizing the issuance of revenue bonds under  
19 this subpart may contain covenants as to:

20 (1) The purpose to which the proceeds of the sale of the  
21 revenue bonds may be applied; the use and disposition  
22 of the proceeds; the investment thereof pending the

- 1 use and disposition; and the use and disposition of  
2 the income from the investment;
- 3 (2) The use and disposition of the revenue of the  
4 university pledged to the payment of the revenue  
5 bonds, including the creation and maintenance of  
6 reserves; the investment of the revenues and of the  
7 moneys in the reserves; and the use and disposition of  
8 the income from the investments;
- 9 (3) The minimum amount of revenue of the university to be  
10 produced by the university project, university system,  
11 or network or any combination thereof over and above  
12 the amount required to be produced by section 304A-K;
- 13 (4) The use and disposition of the proceeds of the sale of  
14 any university project, university system, or network  
15 or any part thereof;
- 16 (5) The construction or maintenance of any university  
17 project, university system, or network or any  
18 combination thereof for the construction or  
19 maintenance of which revenue bonds are issued, or any  
20 university system or network in which university  
21 projects constructed or maintained are later included;

- 1           (6) The issuance of other or additional revenue bonds and  
2           the revenue of the university from which additional  
3           revenue bonds shall be payable;
- 4           (7) The maintenance of the university projects, university  
5           system, or network or any combination thereof,  
6           including the creation by the board of supervisory  
7           positions, which shall not be subject to chapter 76,  
8           as are necessary to facilitate the issuance of revenue  
9           bonds to ensure the adequacy of revenue of the  
10          university;
- 11          (8) The insurance on a university project, university  
12          system, or network or any combination thereof, and the  
13          use and disposition of insurance moneys;
- 14          (9) Books of account and inspection and audit thereof;
- 15          (10) A procedure by which the terms and conditions of the  
16          resolution may be subsequently amended or modified by  
17          the board with or without the consent of the holders  
18          of revenue bonds or any proportion of the holders, or  
19          any trustee thereof; and
- 20          (11) The terms and conditions upon which the holders of  
21          revenue bonds, or any proportion of the holders, or  
22          any trustee thereof, shall be entitled to the

1 appointment of a receiver by any court of competent  
2 jurisdiction, and the receiver may enter and take  
3 possession of the university project, university  
4 system, or network; maintain them; prescribe rents,  
5 fees, and charges; and collect, receive, and apply all  
6 revenue of the university thereafter arising therefrom  
7 in the same manner as the board itself may do;  
8 provided that the receiver shall have no power to  
9 mandate appropriations, or to use, or permit the use  
10 of, any university project, university system, or  
11 network or any combination thereof, other than in a  
12 manner consistent with and in furtherance of the  
13 purposes of the university.

14 This subpart and any resolution shall be deemed a contract  
15 with the holders of revenue bonds issued under this subpart.  
16 The duties of the board and any resolution shall be enforceable  
17 by any bondholder by mandamus or other appropriate suit, action,  
18 or proceeding in any court of competent jurisdiction.

19 **§304A-H Execution and validity of revenue bonds.** Revenue  
20 bonds issued under this subpart shall bear the manual signatures  
21 or facsimile of the signatures of the chairperson and secretary  
22 of the board, and shall be sealed with the seal of the board or

1 in lieu thereof shall bear a facsimile of seal. If the board  
2 designates a registrar other than itself for the revenue bonds,  
3 the resolution authorizing the revenue bonds may provide that  
4 none of the revenue bonds shall be valid or obligatory for any  
5 purpose unless authenticated by the registrar. If the  
6 resolution provides, all signatures of the board upon the  
7 revenue bonds may be facsimiles of the signatures, and the  
8 revenue bonds shall be valid and obligatory only if  
9 authenticated by the manual signature of an authorized officer  
10 or signatory of the registrar. Revenue bonds bearing the  
11 signature of officers in office at the date of the signing  
12 thereof shall be valid obligations, notwithstanding that before  
13 the delivery thereof and payment therefor any or all of the  
14 persons whose signatures appear thereon shall have ceased to be  
15 officers. The validity of the bonds shall not depend on or be  
16 affected by the validity or regularity of any proceedings  
17 relating to the construction or maintenance of the university  
18 project, university system, or network for which the revenue  
19 bonds were issued. The resolution authorizing the issuance of  
20 revenue bonds may provide that the bonds shall contain a recital  
21 that they are issued pursuant to this subpart, which recital

1 shall be conclusive evidence of their validity and of the  
2 regularity of their issuance.

3       **§304A-I Pledge of revenue of the university.** The  
4 resolution authorizing the issuance of revenue bonds may pledge  
5 to the payment thereof all or any part of the revenue of the  
6 university, and the pledge shall constitute a lien on revenue of  
7 the university to the extent and in the manner provided in the  
8 resolution prior and paramount to any claim or other obligation  
9 of any nature against the revenue of the university so pledged  
10 subsequently arising or incurred. The board may provide in the  
11 resolution that all revenue bonds of the same issue be equally  
12 and ratably secured without priority by reason of number, date,  
13 or maturity of the bonds, date of sale, execution, or delivery  
14 thereof. Any pledge of revenue of the university contained in  
15 any resolution adopted under this subpart shall be valid from  
16 and after the adoption of the resolution without physical  
17 delivery of the revenue of the university pledged or the  
18 necessity of any further action by the State or the board, or  
19 any officer or agent of the State or the board.

20       **§304A-J Payment and security of revenue bonds; revenue**  
21 **bonds not a debt of the State.** Revenue bonds issued under this  
22 subpart shall be payable from and secured by the revenue of the

1 university pledged to the payment thereof, and the revenue of  
2 the university shall be applied to the payment in accordance  
3 with this subpart and the resolution authorizing the issuance of  
4 the revenue bonds. The university, or any university project,  
5 university system, or network shall constitute a public  
6 undertaking, improvement, or system, and any appropriation shall  
7 constitute revenue of the university under the constitution and  
8 laws of the State. No holder of any revenue bonds issued under  
9 this subpart may compel any exercise of the taxing power of the  
10 State or the making of any appropriation to pay the revenue  
11 bonds, or interest thereon. Each revenue bond shall recite in  
12 substance that the revenue bond, including interest thereon, is  
13 payable from and secured by the revenue of the university  
14 pledged to the payment thereof, and that the revenue bond does  
15 not constitute a general or moral obligation or indebtedness of  
16 the State within the meaning of any law.

17 **§304A-K Imposition of rates, rents, fees, and charges;**  
18 **pledge, allocation of appropriation.** (a) The board shall  
19 impose and collect rates, rents, fees, and charges for the use  
20 or enjoyment and services of the facilities of each university  
21 project, and shall revise rates, rents, fees, and charges  
22 whenever necessary, or allocate all or any portion of

1 appropriation for each university project, so that, in  
2 aggregate, the revenue of the university with respect to all  
3 university projects, university systems, or networks shall  
4 produce revenue of the university at least sufficient:

5 (1) To pay the cost of maintenance of all university  
6 projects, university systems, or networks or any  
7 combination thereof, including reserves therefor;

8 (2) To pay when due all revenue bonds and interest  
9 thereon, for the payment of which all or any part of  
10 the revenue of the university is or has been pledged,  
11 charged, or otherwise encumbered, including reserves  
12 therefor;

13 (3) To reimburse the general fund of the State for  
14 principal and interest on general obligation bonds  
15 issued for university projects, university systems, or  
16 networks or any combination thereof, or to refund  
17 general obligation bonds, to the extent required by  
18 law; and

19 (4) To carry out all covenants and provisions of the  
20 resolution authorizing the issuance of revenue bonds.

21 (b) Nothing in this subpart shall preclude the making of  
22 appropriations to the university or board, including any

1 appropriation, or the acceptance of gifts by the board or the  
2 use of funds derived from the sale of stocks, bonds, or other  
3 assets in the possession of the board to pay all or part of the  
4 cost of construction or maintenance of any or all university  
5 projects, university systems, or networks.

6 §304A-L Revenue bond anticipation notes. In anticipation  
7 of the issuance under this subpart of revenue bonds and of the  
8 receipt of the proceeds of sale of revenue bonds, the board may  
9 issue and sell, without further authorization or approval, bond  
10 anticipation notes for the purposes for which the revenue bonds  
11 have been authorized, the maximum principal amount of which  
12 notes shall not exceed the authorized principal amount of the  
13 revenue bonds. The notes shall be payable from and secured by  
14 the proceeds of the sale of the bonds in anticipation of which  
15 the notes are issued, or the revenues of the university from  
16 which would be payable and by which the revenue bonds would be  
17 secured, or any combination thereof; provided that to the extent  
18 the principal of the notes is paid from moneys other than the  
19 proceeds of sale of the revenue bonds, the maximum amount of  
20 revenue bonds in anticipation of which the notes are issued that  
21 has been authorized shall be reduced by the amount of the notes  
22 paid in such manner. The issuance of the notes and the details

1 thereof shall be governed by this subpart with respect to  
2 revenue bonds insofar as applicable; provided that:

3 (1) Each note, together with all renewals and extensions  
4 thereof, or refunds thereof by other notes issued  
5 under this section, shall mature within five years  
6 from the date of the original note; and

7 (2) The notes may be sold at public or private sale, as  
8 the board may determine.

9 §304A-M University project, university system, networks,  
10 and revenue bonds exempt from taxation. The revenue of the  
11 university and the property of any university project,  
12 university system, or network shall be exempt from all taxation  
13 and assessments by the State or any county or other political  
14 subdivision thereof. Revenue bonds issued under this subpart  
15 and all income therefrom shall be exempt from all taxation by  
16 the State or any county or other political subdivision thereof,  
17 except inheritance, transfer, and estate taxes.

14 the bonds refunded.

15 (b) Refunding bonds may be issued in a principal amount  
16 sufficient to provide funds for the payment of all revenue bonds  
17 or indebtedness to be funded or refunded, and for the payment of  
18 all expenses paid or incurred in connection with the calling,

4 the principal of the outstanding revenue bonds to be refunded  
5 will be paid whether at maturity or pursuant to a call for  
6 redemption thereof, or pursuant to agreement with the holders  
7 thereof, plus in any case the amount of any premium required to  
8 be paid to call or retire the revenue bonds.

9 §304A-P Fiscal agents. The director of finance of the  
10 State, when requested by the board, shall render full and

7 with respect to the contracting of revenue bonded indebtedness  
8 and the issuance, sale, execution, and delivery of revenue bonds  
9 by the board are deemed validated, ratified, approved, and  
10 confirmed, notwithstanding any defects or irregularities in any  
11 proceedings or in the issuance, execution, sale, or delivery.  
12 The revenue bonds so issued or to be issued are and shall be  
13 valid obligations of the board.

14           §304A-R Limitation of authority. Notwithstanding any law  
15 to the contrary, nothing in this subpart shall be construed to  
16 authorize the board to incur any indebtedness contrary to the  
17 State Constitution or to incur any indebtedness that would be  
18 required to be included in the calculation of the total  
19 indebtedness of the State.

20           §304A-S Annual report. The University of Hawaii shall
