Las Vegas, NV 89144

Dear Mr. Bland:

Enclosed please find a copy of the most recent Annual Population Estimates as certified by Governor Guinn. Also included is a copy of Governor Guinn's letter certifying the estimates. I am again using this opportunity to update your contact information and our mailing list. I have also included a list showing who is currently on the mailing list for the interested parties Clark County. **If this information needs to be updated or corrected please use the enclosed form to do so.** Please fax or mail it to the above address. Also, if you need to add staff please use the attached form as well.

We are also pleased to announce the release of detailed profiles from Census 2000 for all of Nevada's counties, places, and census tracts. These profiles cover such specific topics as employment status by school enrollment, period of military service for veteran civilians, and language spoken at home by age. The specific data tables are grouped into profiles for the following topics: Primary, Secondary, Ancestry, Disability, Education, Employment, Household and Family, Income, Language, Migration, Poverty, Transportation, and Housing. The profiles can be accessed through either the Nevada Small Business Development Center's website at <http://www.nsbdc.org/demographer/> or directly at <http://www2.library.unr.edu/dataworks/NVdemog/index.htm>.

The profiles were created in an effort that included support from the University of Nevada, Reno's DataWorks' web-server and the nationwide State Data Center Cooperative. DataWorks, a department of the University Libraries, provides digital data storage solutions for university and affiliated researchers. While the Census Bureau has made available much of its data on the Internet these profiles include tabulations that may have been done with the 1990 data but not the 2000 data. The files are in Adobe Acrobat and available to anyone with that reader.

Please feel free to contact me if you have any questions, comments or suggestions at (775) 784-6353 or by email at jhardcas@unr.edu.

Sincerely,

Jeff Hardcastle, AICP
Nevada State Demographer
