## **Secretary Abraham Unveils DOE '05 Budget**

*Supports President Bush's Call for Enhanced National Security, Energy Security*

**WASHINGTON, DC** – Secretary of Energy Spencer Abraham will release the Department of Energy's (DOE) FY 2005 budget request on Monday, February 2 at 1:00 p.m. at the DOE headquarters.

The DOE budget is a portion of President Bush's overall budget request that will be presented to Congress.

DOE's FY 2005 budget request supports Secretary Abraham's mission for the Department of Energy that emphasizes its critical contributions to our National security and provides forward-reaching solutions to America's energy needs.
