

## **RICHLAND FIRM AWARDED HANFORD CONTRACT**

Richland, Washington -- ICF Kaiser Hanford Company has awarded a \$1,142,000 contract to George A. Grant, Inc. of Richland, Washington to perform a building remodel and construct a maintenance shop at the Hanford Site's 100K Area. Grant will remove existing asbestos roof panels from the 1717K Building and reroof the building with tapered insulation with a single-ply membrane over metal decking. The contractor will also upgrade the building's electrical distribution, lighting, and heating, ventilation, and air conditioning systems. In addition, Grant will build a new maintenance facility which will include shop space, storage areas, and paint facilities. The project, which supports ongoing clean-up work at the site's K Basins, will begin this month, and is expected to be completed in late January 1997. ICF Kaiser Hanford Company is the Architect-Engineer-Construction and Base Operations contractor at Hanford.
