

Financial Assistance Management DOT Dash 2008-02

Date: July 15, 2008

To: Catalog of Federal Domestic Assistance (CFDA)
Agency Points of Contact

From: Office of the Senior Procurement Executive
Financial Assistance Management Division

Subject: Cause and Treatment (CT) Codes Usage Review

Summary: The purpose of this DOT Dash is to remind you to review your agency's current exclusions to verify that the accurate use of CT Codes is being applied to your agency exclusions. This provides for accurate identification of appropriate cause and treatment codes being applied to a suspension or debarment case based on its merits.

Attached is the official July 1st, 2008 automated, biannual message sent from the Excluded Parties List System (EPLS) website.

If you have any questions or concerns, please contact Ellen Shields at 202-366-4268 or Ellen.Shields@dot.gov.
