Note 1: The Brookhaven Training Management System is the source of all data. Prior to April 2006, training requirements were tracked and reported for all guests and contractors that had an active appointment. Starting with the period April 1-30, 2006, the BNL Training Office tabulates training requirements for those active guests and contractors who have accessed the site during the previous month.  
 Note 2: NSLS-II category created 10/1/06. DL category added 11/1/07.  
 Note 3: Records for guests during July 2006 are not available.
