	Page
1. Questions and Answers About the Technology Innovation Program (TIP)	1
A. General Information	1
1. What is TIP?.....	1
2. How can I receive funding?.....	1
3. What are areas of critical national need?.....	1
4. Is there a deadline for submitting a TIP proposal?.....	1
5. What information is required in a TIP proposal?.....	1
6. Does TIP accept unsolicited proposals?.....	1
7. How are proposals submitted?.....	2
8. Where do I submit proposals?.....	2
9. Will confidential/proprietary information in my proposal be protected?.....	2
10. Does TIP hold any public meetings or conferences to assist in proposal preparation?.....	2
11. Where can I seek additional help with proposal preparation?.....	3
12. Whom do I contact if I have questions?.....	3
B. Eligibility	4
1. Who is eligible to apply?.....	4
2. May institutions of higher education, national laboratories, governmental laboratories (not including NIST), and nonprofit research institutes participate as contractors to a single company or to a joint venture?.....	4
3. May a large-sized company participate?.....	4
4. May a foreign-owned company participate and receive TIP funding?.....	5
5. Is a foreign-eligibility finding required for foreign contractors?.....	5
6. May a foreign-owned company without a U.S.-incorporated subsidiary receive a TIP award?.....	6
7. Can a company-owned or controlled by non-U.S. citizens and without a foreign parent company receive a TIP award?.....	6
8. Can a Cooperative Research and Development Agreement (CRADA) with a U.S. federal government agency be involved in a TIP project?.....	6
9. Can an informal collaboration, that does not impact the proposed funding or cost-share requirements be used to address a critical task in the project?.....	6
C. Selection Process and Criteria to Select Proposals	6
1. How are proposals selected for funding?.....	6
2. What criteria are used to select proposals for funding?.....	7
3. What factors could result in a proposal not being competitive?.....	8

	Page
D. Ineligible Projects and Ineligible/Unallowable Costs	9
1. What types of projects are ineligible for TIP funding?.....	9
2. What types of costs are ineligible/unallowable?.....	10
3. Can a university employee establish a company and contract back to his/her university?.....	11
4. Can an individual who has a financial or other interest in a company receive a contract from that company?.....	11
5. Will TIP fund research performed outside the United States?.....	11
E. Funding and Cost Sharing	11
1. How much funding can a TIP recipient receive, and is cost sharing required?.....	11
2. How does TIP define cost sharing?.....	12
3. What are direct and indirect costs?.....	12
4. I am a small startup company and do not have any indirect costs. If funded, the TIP project would be the only project for my company. Will TIP fund a proposal that only has direct costs?.....	13
5. I am a small startup company and expect to cost share through the use of state or other private investors. If those resources fall through after I receive a TIP award, will I be expected to make up the cost-share gap?.....	13
6. Can independent research and development (IR&D) funds be used as cost sharing?.....	13
F. Intellectual Property	13
1. Who retains title to patentable inventions arising from a TIP-funded project?.....	13
2. Does the federal government have any rights to patentable inventions arising from a TIP-funded project?.....	14
G. Human and Animal Subjects	
1. Will TIP fund projects involving human subjects and/or live vertebrate animals in research activities?.....	14
2. Does TIP have any written guidance to help me determine what documentation is required if my project involves human subjects or live vertebrate animals in research activities?.....	14
3. We are not a biotech company. Could our research involve human subjects?.....	15

	Page
2. Guidelines for Preparing the Project Narrative	17
A. Definitions	17
1. Critical National Need.....	17
2. High-Risk, High Reward Research.....	17
3. Societal Challenges.....	17
4. Transformational Results.....	17
B. Executive Summary	17
C. Project Narrative	17
1. Why is TIP Support Necessary?.....	18
2. Efforts that the Proposer has Made to Secure Alternative Funding.....	18
3. Novelty of the Proposed Research (Technology) with Respect to Competing Developments.....	19
4. Scientific and Technical Merit and How the Research may result in Intellectual Property.....	19
5. What is the Potential for Advancing the State of the Art?.....	26
6. Transforming the Nation’s Capacity to Deal with Major Societal Challenges.....	27
D. Required Letters (letters are not included in the page limit)	31
1. Letters of Commitment.....	31
2. Letters of Support.....	31
3. Letters or Corroboration, Documenting Efforts to Secure Other Funding.....	32
3. Proposal Submission Requirements Checklist	33
A. Proposal Format	33
1. Bindings.....	33
2. Double-sided copy.....	33
3. E-mail proposal submissions.....	33
4. Facsimile (fax) proposal submissions.....	33
5. Figures, graphs, and images.....	33
6. Font.....	33
7. Line spacing.....	33
8. Margins.....	33
9. Number of copies if submitting by paper rather than electronically.....	33
10. Page limit.....	33
11. Page numbering.....	34
12. Paper Size.....	34
13. Proposal language.....	34
14. Table of contents.....	34
15. Typed document.....	34

	Page
B. Proposal Forms and Other Requirements	34
1. Single Company Only.....	34
2. Joint Venture Only.....	34
3. Both Single Company and Joint Venture.....	35
C. Proposal Assembly/Presentation Order	36
D. Additional Documentation	36
4. Human Subjects Determination Checklist	39
5. General Instructions for Submitting TIP Proposals Electronically via grants.gov	43
Exhibits	47
1. SF-424 (R&R) (2 pages), Application for Federal Assistance.....	49
2. Research and Related Other Project Information.....	53
3. Form NIST-1022, Technology Innovation Program (TIP) Proposal Information Sheet.....	55
4. Form NIST-1022A, Other Joint Venture Members.....	59
5. Form NIST-1022B, Contractors.....	61
6. Form NIST-1022C, Budget Narrative.....	63
7. Form NIST-1022D, Third Party In-Kind Contributions.....	69
8. Form NIST-1022E, Estimated Multi-Year Budget – Single Company.....	71
9. Form NIST-1022F, Estimated Multi-Year Budget – Joint Venture.....	73
10. Form NIST-1022G, Foreign-Owned Company Questionnaire.....	77
11. Form NIST-1022H, R&D Work Performed Outside the United States by the Recipient or Contractor Questionnaire.....	79
Appendix A – TIP Statute	85
Appendix B – TIP Rule – 15 C.F.R. Part 296	87
