

ONE PLANET-OURS!

Sustainability for the 22nd Century

PHOTOVOLTAIC ORIENTATION

ENERGY

This station is designed to demonstrate how solar panels are oriented to capture maximum sunlight. It includes a solar panel mounted on a wooden table, a sign titled 'PHOTOVOLTAIC ORIENTATION' with a diagram of a sun and a panel, and a small 'ENERGY' logo.

Animal Garden
The Animal Garden
is a beautiful place
to visit and see
many different
animals.
