

United States Botanic Gardens/Denver Botanic Gardens
Certificate-Training Program in Applied Plant Conservation
Denver, Colorado / June 7th – June 17th 2005
Intensive Seminar Application

Thank you for your interest in applying for our one or two week Intensive Seminar in Applied Plant Conservation. Please carefully review the following application checklist and submit all application materials by **May 1, 2005**.

Application Checklist:

- Be sure to **select the seminar duration you wish to apply for** on the application form (1st week, 2nd week, or full two weeks)
- The application form (see page 2) completed in ink or typed/printed.
- Please include a copy of your current resume including your educational background and professional experiences, **with a cover letter addressing the questions below**.
- Please answer the following questions succinctly **in your cover letter (1–2 pages)**:
 - 1) Please discuss topics related to plant conservation that you are most interested in learning about or skills you are interested in developing. Explain why they are of particular interest to you.
 - 2) What do you hope to gain from participation in this training program? How do you hope to apply what you learn in this training program? Please discuss both your short-term and long-term professional goals.

Registration will be limited and competitive. Applicants will be selected on the basis of: 1) Experience and qualifications, and 2) The fit of the applicant's interests and future objectives with the program curriculum and goals of promoting effective plant conservation (see program announcement for details). If you have any questions or concerns you may contact Denver Botanic Gardens at (720) 865-3592 or millerf@botanicgardens.org.

Please submit the completed application, cover letter and resume by May 1, 2005 to:
