*This is the common sense approach
that a lot of us asked for five years
ago. The work should have been completed
years ago instead of ~~stop~~ dragging it out
and wasting taxpayers money*

Thank you, Thank you, for
starting to do something about
our part of the state. The
Cleveland Mill has needed a
clean up for the 28 years I
have been in this area. I do
not care about the truck traffic
just get the job done and go
on to the other many areas
in and around Silver City
that need to be cleaned.

Thanks Again!
