

**Internal MMS Procedure Statement
To Prevent Duplicate Field and Office Award
Of the Same or Similar INC to a Lessee, Operator, or Permittee**

Extreme caution shall be taken when MMS personnel issue Incidents of Noncompliance (INC's) to ensure that a lessee or operator of an OCS Facility or a permittee on OCS waters is not issued both a Field INC and an Office INC for the same offense. The MMS Districts will have the first priority to issue an INC for an offense of noncompliance with MMS regulations, the MMS Regions will have second priority, and the MMS Headquarters will have third priority. However, the MMS Districts, Regions, and Headquarters shall coordinate with each other when one of the following related PINC's are used to issue an INC to prevent duplication:
