SECURITIES AND EXCHANGE COMMISSION (Release No. 34-58323; File No. SR-NYSE-2008-63)

August 6, 2008

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend until October 1, 2008 the Adoption of Interim NYSE Rule 128 (Clearly Erroneous Executions)

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 28, 2008, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the self-regulatory organization. NYSE designated the proposed rule change as "non-controversial" under Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

# II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

## A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

## 1. Purpose

The Exchange proposes to extend until October 1, 2008, the adoption of interim NYSE Rule 128 ("Clearly Erroneous Executions for NYSE Equities"), which permits the Exchange to cancel or adjust clearly erroneous executions if they arise out of the use or operation of any quotation, execution or communication system owned or operated by the Exchange, including those executions that occur in the event of a system disruption or system malfunction.

Prior to the implementation of NYSE Rule 128 on January 28, 2008,<sup>5</sup> the NYSE did not have a rule providing the Exchange with the authority to cancel or adjust clearly erroneous trades of securities executed on or through the systems and facilities of the NYSE.

In order for the NYSE to be consistent with other national securities exchanges which have some version of a clearly erroneous execution rule, the Exchange is drafting an amended clearly erroneous rule which will accommodate such other exchanges, but will be appropriate for the NYSE market model.

2

See Securities Exchange Act Release No. 57323 (February 13, 2008), 73 FR 9371 (February 20, 2008) (SR-NYSE-2008-09).

Accordingly, the Exchange requests an extension until October 1, 2008 of the adoption of NYSE Rule 128 in order to finalize its clearly erroneous rule. The NYSE is mindful that the Commission approved an amended clearly erroneous execution rule for Nasdaq in May 2008.<sup>6</sup> The Exchange is currently reviewing the provisions in the Nasdaq's clearly erroneous execution rule and is considering the adoption of such provisions for an Exchange rule amendment.

## 2. <u>Statutory Basis</u>

The Exchange believes the proposed rule change is consistent with and furthers the objectives of Section 6(b)(5) of the Act,<sup>7</sup> in that it is designed to prevent fraudulent and manipulative practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanisms of a free and open market and a national market system, and, in general, to protect investors and the public interest.

## B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u>
Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of filing, or such shorter time as the Commission

may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>9</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to the 30<sup>th</sup> day after the date of filing. However, Rule 19b-4(f)(6)(iii)<sup>11</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. <sup>12</sup>

The Exchange has requested that the Commission waive the 30-day operative delay. The Exchange believes that the waiver of this period will allow it to immediately and timely enable the NYSE to cancel or adjust clearly erroneous trades that may present a risk to the integrity of the equities markets and all related markets. According to the Exchange, the proposed rule change also will allow the Exchange to protect customers and the public interest and to continue to provide economically efficient execution of securities transactions.

The Commission believes that waiving the 30-day operative delay will allow the Exchange to continue to immediately and timely cancel or adjust trades that it determines to be clearly erroneous under Rule 128. The Commission believes that the extension of NYSE Rule 128 until October 1, 2008 will allow the Exchange to continue to apply the rule without

In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission has determined to waive the five-day prefiling period in this case.

interruption and is consistent with the protection of investors and the public interest. The Commission hereby designates the proposal as operative upon filing.<sup>13</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
