

Sample Format Table 2 for Bridges to the Baccalaureate Program Noncompeting Continuation (Type 5) Application

Summary Outcome Data for the Bridges to the Baccalaureate Program

Grant Number: _____ Reporting Period: _____

Name of Institution: _____

I. Institutional Transfer Data¹ for this reporting period		Number of Students
Number of students from targeted groups/populations from each participating 2-year institution who transferred to a baccalaureate degree program in biomedical/behavioral sciences at a 4-year institution		
Participating 2-year Institution(s)	Number of Students Who Transferred to 4-year Institutions	
Total		
II. Bridges Students² Appointment, Transfer, and Degree Completion Data for this reporting period		Number of Students
Number of Bridges students from each participating 2-year institution who were appointed to the program		
Participating 2-year Institution(s)	Number of Students Appointed to Program	
Total		
Number of Bridges students who transferred to a baccalaureate degree program in the biomedical/behavioral sciences at a 4-year institution ^{3,4}		
Number of <u>former</u> Bridges students who transferred during this reporting period to a baccalaureate degree program in the biomedical/behavioral sciences at a 4-year institution ^{4,5}		
Number of <u>former</u> Bridges students who are currently pursuing a baccalaureate degree in the biomedical/behavioral sciences at a 4-year institution ⁵		
Number of <u>former</u> Bridges students who graduated during this reporting period with a baccalaureate degree in the biomedical/behavioral sciences ⁵		

Number of <u>former</u> Bridges students who are currently pursuing an allied health, Master's, Ph.D., or other professional degrees ⁵	
Number of <u>former</u> Bridges students who graduated during this reporting period with an allied health, Master's, Ph.D., or other professional degrees ⁵	

¹ Include all students from the targeted groups/populations (see detailed qualifications in the current Bridges Program Announcement: [PAR-07-411](#)), from each participating 2-year institution in the consortium, who transferred to a baccalaureate degree program in the biomedical/behavioral sciences at a 4-year institution. Do not include students who applied for, or were accepted into, a program but did not enter it.

² Bridges students are those students (U.S. citizens or permanent residents from targeted groups/populations; see detailed qualifications in the current Bridges Program Announcement: [PAR-07-411](#)), who were appointed to and received salary support from the Bridges program.

³ Include only those students who received Bridges salary support during this reporting period.

⁴ Include only those students who transferred to a 4-year institution. Do not include students who applied for, or were accepted into, a program but did not enter it.

⁵ Include only those students who received Bridges salary support in years prior to this reporting period.
