ITEM 9C. Self-explanatory, except for the following items:

Check the "I seek reimbursement for a Licensing or Certification test" block if you want reimbursement for a licensing or certification test. Claimants receiving benefits under chapter 1606 (Item 4B) or chapter 1607 (Item 4C) may not receive reimbursement for these tests. A licensing test is a test offered by a state, local, or federal agency which is required by law to practice an occupation. A certification test is a test designed to provide affirmation of an individual's qualification in a specific occupation.

Check the "Tuition Assistance Top-Up" block if you want VA to reimburse you for the difference between what the military pays for TA (Tuition Assistance) and the actual costs of these courses. (VA pays the difference or "tops up" what the military doesn't pay.) There are also other programs similar to the TA program where the military pays for courses. One similar program is the "EarmyU" program. Also check this "Tuition Assistance Top-Up" block if you want VA to pay you the difference for these courses.

Check the "National Admission Exams or National Exams for Credit" block if you want VA to reimburse you for the fee you paid for taking one or more national tests. Claimants receiving benefits under chapter 1606 (Item 4B) or chapter 1607 (Item 4C) may not receive reimbursement for these tests. National tests for admission to institutions of higher learning include the following: the Scholastic Aptitude Test, Law School Admission Test, Graduate Record Exam, or the Graduate Management Admission Test.

National tests providing an opportunity for course credit at institutions of higher learning include the following: The Advanced Placement exam and the College-Level Examination Program.

NOTE ON CORRESPONDENCE TRAINING: If you plan to enroll in a correspondence course or a combination correspondence-residence course, be sure the field of study is suitable to your abilities and interests before you sign a contract with the school. Information on correspondence courses is available at the nearest U.S. Veterans Assistance Center or VA Regional Office. The correspondence school may require you to pay for all or the majority of the course even though you complete only a portion of it. Unlike the other VA training programs, payments for correspondence courses are made quarterly after VA receives your certification showing the number of lessons you completed during the previous quarter. The information pamphlet described in Item 8 gives additional information on payments.

You must affirm a contract for enrollment in a correspondence course after at least 10 days following the date you sign the contract. If you decide not to enroll in a correspondence course after signing a contract but before signing the affirmation, you are entitled to receive a full refund from the school of any payment made for the course.

NOTE ON FLIGHT TRAINING: If you plan to enroll in a flight course, you must have a private pilot's license. If you are taking an Airline Transport Pilot course, you must have a valid **first-class medical certificate** on the date that you enter training. For all other flight courses, you must have a valid **second-class medical certificate** on the date that you enter training.

ITEM 9H. VA allows claimants to receive VA benefits for certain courses for which they have previously received credit. These "refresher" courses are either (1) courses at the elementary or secondary level to review or update material previously covered in a course that has been satisfactorily completed or (2) courses which permit an individual to update knowledge and skills or to be instructed in the technological advances which have occurred in the individual's field of employment during and since the period of his or her active military service. (Skip this item if you checked the "I seek reimbursement for a Licensing or Certification Test" block, the "National Admission Exams or National Exams for Credit" block or the "Tuition Assistance Top-Up" block in Item 9C.)

ITEM 10. *This question is for CIVILIAN EMPLOYEES OF THE UNITED STATES GOVERNMENT. It is not for active duty persons or persons receiving Department of Education work-study benefits.*

ITEM 11. *This question is for ALL APPLICANTS ON ACTIVE DUTY who are not applying for Tuition Assistance (Top-Up).* Payment of VA educational benefits is prohibited for a course or courses being paid for entirely or in part by the Armed Forces or the Public Health Service. If you are receiving any money (to include but not limited to tuition assistance) from the Armed Forces or Public Health Service during any part of your training, you must check "YES." Specify complete details in the block next to this item. Please identify the source of the funds. If you are not sure, explain why you might be eligible for the money in the block next to this item.

ITEM 12E AND 12F. If you have ever held a license to practice a profession or journeyman rating to work at a trade, state the name of the license or journeyman rating, and the state in which the license was held. If you have never held a license or rating, write "NONE." We only use this information if you apply for benefits for a similar program. Examples of a license include the following: electrician, CPA, teacher, lawyer, and bricklayer. Use Item 22, "Remarks," if you need more space.

ITEM 13B. (Terminal leave is also known as "Transitional leave.") Terminal leave means that you are on leave continuously from the date that you last performed military duties (i.e., signed out of your last unit) until the date of your discharge from active duty. If you are now on terminal or transitional leave just before discharge, check "YES." Provide the date your terminal leave began and the date you will be discharged from active duty in this block.

ITEM 14. If you attach a DD Form 214, you should send a copy of your DD Form 214 for each period of active military service that you completed. Your separation packet should contain this DD Form 214. Each DD Form 214 has several copies. The copy number is on the lower right hand side of the form. Send us a copy of this form designated as "Copy 4"; this copy is usually also designated as "Member." If you do not have your "Copy 4" of your DD Form 214, submit the original of any other copy you have.

NOTE: Please do not send us any of your original documents. If you have recorded the original document with a county recorder, you may submit a certified copy of the document. If you complete your application at a VA office, VA personnel can certify the original of any documents needed to support your claim and then immediately return those documents to you.

ITEM 17B. When DoD counts a period of active duty for the purpose of repayment of an education loan, VA cannot use that same period of active duty to determine the number of months of chapter 30 benefits. For example, if you received an education loan repayment from DoD, and DoD required two years (24 months) for that education loan repayment, and you had a total of three years (36 months) of active duty, VA would be required to restrict your active duty for determining chapter 30 benefits to 12 months (36 months total active duty minus 24 months for repaying your education loan). If you have had some active duty time that counted toward repayment of an education loan, check "YES." Write the period of active duty used for repayment of your education loan in the space in this item.

ITEM 18A. THIS QUESTION IS FOR OFFICERS WHO ARE APPLYING FOR CHAPTER 30 (BY CHECKING ITEM 4A). VA education benefits are not usually payable when an officer receives a commission upon graduation from a military service academy such as West Point or the Naval Academy. If you attended a service academy, check "YES." Write the date (month and year) you graduated and received your commission in the space in this item.

ITEM 19. THIS QUESTION IS ONLY FOR APPLICANTS WHOSE SERVICE (OR DELAYED ENTRY) BEGAN BEFORE JANUARY 1, 1977. If you are currently married or if you have children under age 18 (or under age 23, single and in school), complete and return VA Form 21-686c. Also complete and return VA Form 21-674 for each child between 18 and 23 who is single and in school. If your parent(s) are dependent on you for support, you should complete and return VA Form 21-509. These forms may require additional documentation. VA cannot pay any additional benefits for dependents without properly completed forms and documentation.

NOTE: You will not be eligible to receive benefits for any period for which you have an outstanding felony warrant. Any benefits paid to you for such a period will be an overpayment subject to collection.

GENERAL INSTRUCTIONS

ADVANCE PAYMENT. Once you're enrolled in an approved course, you may request an advance payment for the first month (or part of a month) and second month of enrollment if ALL the following conditions are met

- You're enrolled on at least a half-time basis, **and**
- Your school has agreed to receive and process advance payment checks for delivery to its students, **and**
- You request advance payment by signing a request block on the enrollment certification your school sends to us, **and**
- VA receives your enrollment certification at least 30 days before classes start.

NOTE: If we don't pay an advance payment, we'll pay you after each month you attend school. (If you receive chapter 30 or 1606 benefits, you will not receive any payments until you verify your enrollment on a monthly basis.)

IMPORTANT: Additional requirements set by law may prevent us from making an advance payment.

The veteran or servicemember uses this form to record his or her designation of dependents. This form should show that the veteran or servicemember has designated you by name.

Item 21A. If you are a spouse or child applying for MGIB benefits because a veteran or servicemember has transferred his or her MGIB benefits to you as his or her dependent, the veteran or servicemember must complete VA Form 21-686c, Declaration of Status of Dependents. The PDF version of this form is available on the Internet at: www.va.gov/vaforms. (Type "21-686c" in the search block at this Internet site.)

ITEM 21G and 21H. If you have ever held a license to practice a profession or a journeyman rating to work at a trade, state the name of the license or journeyman rating and the state in which the license was held. If you have never held any license or rating, write "NONE." We only use this information if you apply for benefits for a similar program. Examples of occupations requiring a license include the following: electrician, CPA, teacher, lawyer, bricklayer.
