

A RESOLUTION further extending the experimental modification of release schedules from Cannonsville, Pepacton and Neversink reservoirs.

BE IT RESOLVED by the Delaware River Basin Commission:

1. Subject to the provisions of paragraph 2. of this resolution, the experimental modification of the release schedules of Cannonsville, Pepacton and Neversink reservoirs, pursuant to Docket No. D-77-20 and Resolutions Nos. 79-8, 80-14, and 80-16 are extended from October 31, 1980 to December 31, 1980.

2. The releases provided for in paragraph 1. hereof shall be subject to the limits based on storage levels for drought warning and drought periods as provided in the Rules and Regulations of the New York State Department of Environmental Conservation, Parts 671 and 672 and the Stipulation of Discontinuance in The City of New York vs. The New York State Department of Environmental Conservation, Index No. 5840-80. The releases provided for in paragraph 1. hereof shall also be subject to modification or termination as may be directed by this Commission pursuant to drought emergency action adopted under Section 3.3 or Article 10 of the Compact.

3. This resolution is contingent upon the continuing unanimous consent of the parties to the U.S. Supreme Court decree entered in New Jersey vs. New York, 347 U.S. 995 (1954), which shall be set forth in letters from each party filed with the Delaware River Master.
