Use this form if	 Your filing status is single or married filing jointly. If you are not sure about your filing status, see page 6. You (and your spouse if married filing jointly) were under age 65 and not blind at the end of 2007. If you were born on January 1, 1943, you are considered to be age 65 at the end of 2007. You do not claim any dependents. For information on dependents, see Pub. 501. Your taxable income (line 6) is less than \$100,000. You do not claim any adjustments to income. For information on adjustments to income, use TeleTax topics 451–453 and 455–458 (see page 30). The only tax credit you can claim is the earned income credit. You do not need a qualifying child to claim it. For information on credits, use TeleTax topics 601, 602, 607, 608, and 610 (see page 30). You had only wages, salaries, tips, taxable scholarship or fellowship grants, unemployment compensation, or Alaska Permanent Fund dividends, and your taxable interest was not over \$1,500. But if you earned tips, including allocated tips, that are not included in box 5 and box 7 of your Form W-2, you may not be able to use Form 1040EZ (see page 9). If you are planning to use Form 1040EZ for a child who received Alaska Permanent Fund dividends, see page 10. You did not receive any advance earned income credit payments. If you cannot use this form, use TeleTax topic 352 (see page 30). 		
Filling in your return	If you received a scholarship or fellowship grant or tax-exempt interest income, such as on municipal bonds, see the booklet before filling in the form. Also, see the booklet if you received a Form 1099-INT showing federal income tax withheld or if federal income tax was withheld from your unemployment compensation or Alaska Permanent Fund dividends.		
For tips on how to avoid common mistakes, see page 27.	Remember, you must report all wages, salaries, and tips even if you do not get a Form W-2 from your employer. You must also report all your taxable interest, including interest from banks, savings and loans, credit unions, etc., even if you do not get a Form 1099-INT.		
Worksheet for dependents who checked one or both boxes on line 5	Use this worksheet to figure the amount to enter on line 5 if someone can claim you (or your spouse if married filing jointly) as a dependent, even if that person chooses not to do so.
