

2005 OSH and CFOI Profiles on CD

The OSH Profiles and Charts program contains 2005 data from the BLS Annual Survey of Occupational Injuries and Illnesses. The CFOI Profiles and Charts program contains final 2005 data from the Census of Fatal Occupational Injuries.

Follow these steps to install the OSH and CFOI Profiles programs:

- 1) Put the Profiles & Charts data disk into the CD drive
- 2) Select Start...Run...[drive]:\osh_install

Follow the displayed instructions to install OSH Profiles and Chart, CFOI Profiles and Charts, or both. Recommended software and hardware requirements are Windows XP, Office XP, Pentium processor, and 256 Mb RAM.

For help with installation or technical support, send e-mail to OSH_HELP@BLS.GOV
For additional data requests, send e-mail to IIFSTAFF@BLS.GOV

2005 Bulletin Tables and Appendices

The bulletin tables on this CD present 2005 summary and case and demographic data from the BLS Annual Survey of Occupational Injuries and Illnesses. The appendices present the survey's methodology.

Open CD Table of Contents for links to the appendices and bulletin tables. If the CD is used in a CD-Rom drive that is assigned a letter other than "D:", the links in the file "Appendices Table of Contents 2005.PDF" will not work. The "Appendices Table of Contents 2005.doc" is a Microsoft Word file that will work in any drive.
