SUPPLEMENTARY INFORMATION: Article 5 of the WTO Agreement on Agriculture provides that additional import duties may be imposed on imports of products subject to tariffication as a result of the Uruguay Round if certain conditions are met. The agreement permits additional duties to be charged if the price of an individual shipment of imported products falls below the average price for similar goods imported during the years 1986-88 by a specified percentage. It also permits additional duties to be imposed if the volume of imports of an article exceeds the average of the most recent 3 years for which data are available by 5, 10, or 25 percent, depending on the article. These additional duties may not be imposed on quantities for which minimum or current access commitments were made during the Uruguay Round negotiations, and only one type of safeguard, price or quantity, may be applied at any given time to an article. Section 405 of the Uruguay Round Agreements Act requires that the President cause to be published in the **Federal Register**

information regarding the price and quantity safeguards, including the quantity trigger levels, which must be updated annually based upon import levels during the most recent 3 years. The President delegated this duty to the Secretary of Agriculture in Presidential Proclamation No. 6763, dated December 23, 1994, 60 FR 1005 (Jan. 4, 1995). The Secretary of Agriculture further delegated the duty to the Administrator of the Foreign Agricultural Service (7 CFR 2.43(a)(2)(2007)). The Annex to this notice contains the updated quantity trigger levels.

Additional information on the products subject to safeguards and the additional duties which may apply can be found in subchapter IV of Chapter 99 of the Harmonized Tariff Schedule of the United States and in the Secretary of Agriculture's Notice of Safeguard Action, published in the **Federal Register** at 60 FR 427, January 4, 1995.

Notice: As provided in section 405 of the Uruguay Round Agreements Act, consistent with Article 5 of the Agreement on Agriculture, the safeguard quantity trigger levels previously notified are superceded by the levels indicated in the Annex to this notice.

The definitions of these products were provided in the Notice of Safeguard Action published in the **Federal Register**, at 60 FR 427, January 4, 1995.

Issued at Washington, DC this 26th day of March, 2008.

Michael W. Yost,

Administrator, Foreign Agricultural Service.
