Executive Order 12372

This program is not subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials. See the Notice related to 7 CFR part 3015, subpart V, published at 48 FR 29115 (June 24, 1983).

Paperwork Reduction Act

Background

This final rule removes duplicate regulations. The regulations at 7 CFR part 26, Subpart A, were originally issued to establish the formula for calculating the world price for upland cotton. These regulations were subsequently duplicated at 7 CFR part 1427.25 but were not removed from their original location. Similarly, the regulations at 7 CFR part 26, subpart B, were originally issued to establish the formula for calculating the world price for rice. These regulations were duplicated at 7 CFR part 1421.25 but also were not removed from their original location. There being no need for such duplication, this rule removes the needless regulations under 7 CFR part 26.

List of Subjects in 7 CFR Part 26

Rice, Upland cotton, World market price.

Accordingly, under the authority at 7 U.S.C. 1441-2, 7 CFR part 26 is removed and reserved.
