**NOTICE OF COMMISSION DETERMINATION NOT TO REVIEW AN INITIAL
DETERMINATION GRANTING RESPONDENTS' MOTION TO EXTEND THE
TARGET DATE**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 6) granting respondents SiRF Technology, Inc., Pharos Science & Applications, Inc., MiTAC International Corporation, Mio Technology Limited, USA, and E-Ten Information Systems, Co., Ltd.'s (collectively, "respondents") motion to extend the target date by four months from August 7, 2008 to December 8, 2008.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 7, 2007, based on a complaint filed by Global Locate, Inc. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain GPS devices and products containing the same by reason of infringement of various claims of six United States patents. The complaint names five respondents.

On August 2, 2007, respondents moved to extend the target date by four months from August 7, 2008 to December 8, 2008. On September 12, 2007, the ALJ granted respondents' motion to extend the target date by four months to December 8, 2008. The ALJ determined that good cause warrants an extension of the target date. No petitions for review of this ID were filed.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
