2.75 (b) (1)

RECORDS: DEALERS AND EXHIBITORS.

Section 2.75(b)(1) Records: Every dealer shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer.

- (i) The name and address of the person from whom the animals were purchased or otherwise acquired;
- (ii) The USDA license or registration number of the person if he or she is licensed or registered under the Act;
- (iii) The vehicle license number and State, and the driver's license number (or photographic identification card for nondrivers issued by a State) and State of the person, if he or she is not licensed or registered under the Act;
- (iv) The name and address of the person to whom an animal was sold or given;
- (v) The date of purchase, acquisition, sale, or disposal of the animal(s);
- (vi) The species of the animal(s); and
- (vii) The number of animals in the shipment.

Cage cards for the rabbits indicate that animals were purchased from a licensed USDA dealer on specific dates. There are more rabbits acquired on dates that are not specified in the records from the licensed USDA rabbit dealer. This facility is also buying rabbits from a person with no USDA license. The facility does not have the following information on the unlicensed person: complete address; identification card information; and complete purchase information concerning date, number and species of animals in each shipment. Records must be complete and accurate to comply with the regulations and to allow for accurate tracking of animals for health purposes.

Correct by June 15, 2006 for information on the shipments from 2006 from the unlicensed dealer.
Correct from this date forward for all future animal acquisitions.

2.132 (d)

PROCUREMENT OF RANDOM SOURCE DOGS AND CATS, DEALERS.

Section 2.132(d) Procurement of dogs, cats and other animals: No dealer shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license.

A person who derives more than \$500 gross income from the sale of rabbits for covered purposes during any calendar year requires a license with the USDA. This facility paid an unlicensed USDA dealer more than \$500 for just the last four shipments of rabbits: \$265 (5/30/06), \$386 (5/16/06), \$155 (5/02/06) and \$315 (04/25/06). The unlicensed dealer requires USDA licensing before this facility may purchase more rabbits from him.
Correct from this date forward.
