

INTERNATIONAL SUMMER SCHOOL OF ASTROBIOLOGY  
Co-sponsored by the NASA Astrobiology Institute (NAI)  
and the Spanish Centro de Astrobiología (CAB)

## **Exploring Mars: The next ten years** UIMP, Santander, Spain, July 2–6, 2007

### **Application for Student Support**

NAI, CAB, and UIMP will together provide full support (round-trip airfares, accommodations, meals, school fees) for approximately ten young American astrobiologists (mainly graduate students and postdocs) based on a brief application procedure. To apply, email the following information to Bruce Runnegar ([runnegar@ucla.edu](mailto:runnegar@ucla.edu)) before May 31.

Full name as shown on passport

Nationality

Institution (e.g., University of California, Los Angeles)

Advisor's name and email address

NAI team (if applicable)

City of residence

Phone number

A short statement (one page or less) giving reasons for wishing to participate in this Summer School.
