

MRS. FRANKLIN D. ROOSEVELT
202 FIFTY-SIXTH STREET WEST
NEW YORK 19, N. Y.

RECD DEC 27 1958

December 18, 1958

Dear Senator Kennedy:

If my comment is not true, I will gladly so state. I was told that your father said openly he would spend any money to make his son the first Catholic President of this country, and many people as I travel about tell me of money spent by him in your behalf. This seems commonly accepted as a fact.

Building an organization is permissible but giving too lavishly may seem to indicate a desire to influence through money.

Very sincerely yours,
