#### Part II — FINANCIAL AND OPERATING DATA OF FOREIGN AFFILIATE — Continued

**Section B — Distribution of Sales or Gross Operating Revenues —** See **Additional Instructions** for Part II, Section B, on page 7 at the back of this form.

Distribute sales or gross operating revenues among three categories – sales of goods, sales of services, and investment income. For the purpose of this distribution, "goods" are normally economic outputs that are tangible and "services" are normally economic outputs that are intangible. When a sale consists of both goods and services and cannot be unbundled (i.e., the goods and services are not separately billed), classify the sales as goods or services based on whichever accounts for a majority of the value. Give best estimates if actual figures are not available. Insurance companies also see **Special Instructions**, B.3.d. and e., page 8.

**Section C — Number of Employees and Employee Compensation —** See **Additional Instructions** for Part II, Section C, on page 7 at the back of this form.

**NUMBER OF EMPLOYEES** — Employees on the payroll at the end of FY 2007 including part-time employees, but excluding temporary and contract employees not included on your payroll records. A count taken at some other date during the reporting period may be given provided it is a reasonable estimate of employees on the payroll at the end of FY 2007. If the number of employees at the end of FY 2007 (or when the count was taken) was unusually high or low due to temporary factors (e.g., a strike), enter the number of employees that reflects normal operations. If the number of employees fluctuates widely during the year due to seasonal business variations, report the average number of employees on the payroll during FY 2007. Base such an average on the number of employees on the payroll at the end of each pay period, month or quarter. If precise figures are not available, give your best estimate.

**EMPLOYEE COMPENSATION** — Sum of **wages and salaries** and **employee benefit plans**. Expenditures made by an employer in connection with the employment of workers, including cash payments, stock based compensation, payments in-kind, and employer expenditures for employee benefit plans including those required by statute. Base compensation data on payroll records. Report compensation which relates to activities that occurred during the reporting period regardless of whether the activities were charged as an expense on the income statement, charged to inventories, or capitalized. DO NOT include amounts related to activities of a prior period, such as those capitalized or charged to inventories in prior periods.

#### 2007 ANNUAL SURVEY OF U.S. DIRECT INVESTMENT ABROAD FORM BE-11B(FN) **ADDITIONAL INSTRUCTIONS BY ITEM**

#### Part I — IDENTIFICATION OF FOREIGN AFFILIATE

#### 7. Ownership by U.S. Reporter named in item 1

Equity interest is the U.S. Reporter's direct ownership in the total nonvoting equity including nonvoting stock and a limited partner's interest in a partnership.

**Voting interest** is the U.S. Reporter's direct ownership in just the voting equity of the affiliate. Examples of voting equity include voting stock and a general partner's interest in a partnership. Thus, a U.S. Reporter could have a 100 percent direct voting interest in an affiliate but own less than 100 percent of the affiliate's total equity.

Sales or gross operating revenues of foreign affiliate, by industry of sales or gross operating revenues. See Additional Instructions for Part II, Section A, item 30 below.

Holding companies (ISI code 5512) must show total income as reported in item 35. To be considered a holding company, income from equity investments (items 31 and 32) must be more than 50 percent of total income (item 35). In addition, normally at least 50 percent of total assets must consist of investments in affiliates. ISI code 5512, (holding company), is an invalid classification if more than 50 percent of income generated, or expected to be generated, by an affiliate is from non-holding company activities.

Dealers in financial instruments and finance, insurance, and real estate companies see **Special Instructions** on page 7.
