Dear Mr. Bilinski:

On March 4, 2003, a Corrective Action Order was issued to Texas Eastern Transmission Corporation to take necessary corrective action on its Line 1 crossing at the Mississippi River in Scott County, Missouri.

Based on the recommendation of the Director, Central Region, this case is now closed and no further compliance action is contemplated with respect to the matters involved in the case. Thank you for your cooperation in our joint effort to ensure pipeline safety.
