Re: CPF No. 5-2001-0010

Dear Mr. Brandes:

On September 20, 2004, a Final Order was issued by the Associate Administrator for Pipeline Safety, Pipeline and Hazardous Materials Safety Administration (PHMSA)¹, in the above-referenced case. This letter acknowledges that you have completed the actions specified in the Compliance Order, as determined by the Director of the Western Region, PHMSA. This case is now closed and no further enforcement action is contemplated with the respect to the matters involved in this case. Closure of this case has no effect on any other pipeline enforcement proceedings.

Sincerely,

James Reynolds

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

¹ Effective February 20, 2005, the Pipeline and Hazardous Materials Safety Administration (PHMSA) succeeded Research and Special Programs Administration as the agency responsible for regulating safety in pipeline transportation and hazardous materials transportation. See, section 108 of the Norman Y. Mineta Research and Special Programs Improvement Act (Public Law 108-426, 118 Stat. 2423-2429 (November 30, 2004)). See also, 70 Fed. Reg. 8299 (February 18, 2005) redelegating the pipeline safety authorities and functions to the PHMSA Administrator.
